| Please fill out this form to reflect your view of the child's behavior even if other people might not agree. Feel free to write additional comments beside each item and in the space provided on page 2. <b>Be sure to answer all items.</b> |                          |                                                         |                                                                                                                                                                                         |

Below is a list of items that describe children. For each item that describes the child **now or within the past 2 months**, please select **2** if the item is **very true or often true** of the child. Select **1** if the item is **somewhat or sometimes true of the child**. If the item is **not true** of the child, select **0**. Please answer all items as well as you can, even if some do not seem to apply to the child.

0 = Not true (as far as you know);

1 = Somewhat true or sometimes true;

2 = Very true or often true

| 0                                | 1                                | 2                                | Statements                                                                            |
|----------------------------------|----------------------------------|----------------------------------|---------------------------------------------------------------------------------------|
| <input type="radio"/>            | <input checked="" type="radio"/> | <input type="radio"/>            | 1. Aches or pains (without medical cause; <b>do not include</b> stomach or headaches) |
| <input type="radio"/>            | <input type="radio"/>            | <input checked="" type="radio"/> | 2. Acts too young for age.                                                            |
| <input type="radio"/>            | <input type="radio"/>            | <input checked="" type="radio"/> | 3. Afraid to try new things.                                                          |
