Daily Math Practice 6th Grade: Use It! Don't Lose It! Jill Norris, 2006-05 This Daily Practice series helps your students use their skills so they won't lose them. There are five problems a day every day for 36 weeks. The practice activities are set up in a spiraling scope and sequence so that students practice skills at regular intervals. Each week's problems are based on a grade level appropriate topic so every time a skill shows up it has a new context requiring students to dig into their memories recall what they know and apply it to a new situation. Correlated to state and national standards this six book series provides daily math and daily language practice for grades 6, 7 and 8.
