 of Canadian Medicine Charles G. Roland,Jacques Bernier,2010-11-22 Volume Two of this retrospective bibliography is both a
 continuation and an expansion of Volume One 1984 It contains references to Canadian medical historical literature published
 between 1984 and 1998 and also includes much additional material published prior to 1984 Finally it substantially enlarges
 the content of French language material Every effort has been made to be as inclusive as possible of articles theses book
 chapters and books both in English and in French relating to the history of medicine No single electronic source can replace
 this bibliography The contents are divided into three sections The first is a listing of material expressly biographical Section
 two lists material under a wide variety of subject headings related to medicine and the third is a complete listing of the
 authors who have contributed these articles Simply organized and easy to use this bibliography will be of value to historians
