Milkie, Jeffrey W. Lucas, 2021-05-19 Written by a team of sociologists this text introduces readers to social psychology by focusing on the contributions of sociology to the field of social psychology The authors believe sociology provides a unique and indispensable vision of the social psychological world in the theoretical perspectives that sociologists employ when studying human interactions and in the methodological techniques they utilize Within the pedagogically rich chapters topics are examined from the perspectives of symbolic interactionism social structure and personality and group processes

Monstrous Adversary Alan H. Nelson, 2003-01-01 The Elizabethan Court poet Edward de Vere has since 1920 lived a notorious second wholly illegitimate life as the putative author of the poems and plays of William Shakespeare The work reconstructs Oxford s life assesses his poetic works and demonstrates the absurdity of attributing Shakespeare s works to him The first documentary biography of Oxford in over seventy years *Monstrous Adversary* seeks to measure the real Oxford against the myth Impeccably researched and presenting many documents written by Oxford himself Nelson s book provides a unique insight into Elizabethan society and manners through the eyes of a man whose life was privately scandalous and richly documented **The Blue Book of College Athletics ...** , 1991 *The Science of Generosity* Patricia Snell Herzog, 2019-10-25 This book advances understanding of the manifestations causes and consequences of generosity Synthesizing the findings of the 14 research projects conducted by the Science of Generosity Initiative and offering an appendix of methods for studying generosity this comprehensive account integrates insights from disparate disciplines to

facilitate a broader understanding of giving ultimately creating a compendium of not only the latest research in the field of altruistic behaviors but also a research roadmap for the future As the author sequentially explores the manifestations causes and consequences of generosity Patricia Snell Herzog here also offers analyses ranging from the micro to macro level to paint a full picture of the individual interpersonal and familial and collective inter actions involved in altruism and generosity The author concludes with a call to stimulate further interdisciplinary generosity studies describing the implications for emerging scholars and practitioners across sociology economics political science religious studies and beyond
