Cuckolded Victoria Wessex, 2014-02-27 38 000 words male point of view Adults only My wife dressed up as a buxom wench plenty of mead what could be better I even encouraged her to flirt with some of the guys while I watched It was just innocent fun But then she attracted the attention of the king and with the help of his friends and a jester costume he convinced her that I was happy for her to go further and further Bound and gagged I could only watch in horror as she lived out her secret submissive fantasies and let all of them take her again and again Renaissance Drama Sandra Clark, 2007-11-19 This work provides a comprehensive overview of one of the richest periods of theatre history the drama of early modern England *Courtesans and Cuckolds* James T. Irish, 2024-12-10 Envy and jealousy are the emotions that fuel interpersonal rivalry and interpersonal rivalry is a cornerstone of literature Emerging from growing scholarly interest in the history of

emotion The Rivalrous Renaissance is the first full length study of envy and jealousy in Renaissance England The book introduces readers both to the cultural dynamics of affective rivalry in the period and to how these crucial feelings inspired literary works across a wide range of genres by luminary authors such as Philip Sidney Edmund Spenser Mary Wroth William Shakespeare and John Milton Early modern concepts of envy and jealousy were more actively theorized as central components of human experience than is typical today Bradley J Irish argues that literature is the key domain where this Renaissance theorization of affective rivalry was brought to life Poetry drama and narrative prose created the conditions for these concepts to become most socially meaningful simulating the interpersonal experiences in which the emotions practically manifest This volume will appeal to scholars interested in the history of emotion and affect as well as more broadly to scholars of the literature and social dynamics of early modern England and to undergraduate and graduate students in specialized seminars *Intertextual Masculinity in French Renaissance Literature* David P.
