Cultivating Christian Community:

Cultivating Christian Community Thomas R. Hawkins, 2001 Hawkins identifies practices that help cultivate Christian community in small groups Living Into Community Christine D. Pohl, 2011-12-20 Every Christian should read this provocative book Christine thoroughly delineates the interlocking relationships and dangerous deformities of practices that could deepen our communities but often destroy them This volume is pertinent to our families churches even places of work Marva J Dawn author of Truly the Community **Cultivating Missional Communities** Inagrace T. Dietterich, 2006-06-01 This study resource focuses upon Christian practices those behaviors by which congregations shape teach train equip cultivate their identity vision and mission as Christian communities Thus baptism Eucharist forgiveness ministry discernment and worship are practices through which a people are formed in a distinctive way of life Questions for reflection and discussion are included to stimulate use within groups for study learning and formation Cultivating an Evangelistic Character Christopher James Schoon, 2018-04-24 This project explores the relationship between worship discipleship and evangelism within the missional church movement Engaging contributions from liturgical theology Christian ethics and post Christendom evangelism the book proposes a missional approach to worship that when integrated with a praxis oriented discipleship cultivates Jesus character among God's people Along the way the project attends to the Holy Spirit's transformative presence the liturgical rhythms of remembering and anticipating and the practices of hospitality and compassion In the end *Cultivating an Evangelistic Character* contends that the Spirit works through the integration of worship and discipleship to form God's people In other words God's people become evangelistic or as Newbigin said the hermeneutic of the gospel *Cultivating the Missional Church* Randolph C. Ferebee, 2012-10-01 Written from a post Christendom emergent worldview this book was born of a singular question asked in hundreds of ways What do we do to be faithful in this changed and changing reality Whether shaped by anxiety a foretaste of coming changes excitement or energy at the prospects of witness and service the future holds the question remains the same and the answers elusive Part one addresses church functions under categories of governance modeling collaboration champion catalyst mission covenant disciple change and leadership Part two offers further explication of the functions including books recommended for in depth study application ideas and further exploration of themes **Grow Your Church from the Outside In** George Barna, 2002-10-02 According to the author America has more unchurched people than the entire populations of all but 11 of the world's 194 nations Based on research among several thousand unchurched people the book discusses their values attitudes beliefs religious practices demographics life goals and spiritual expectations Using additional research conducted among churches that have had great success in attracting and retaining unchurched people the author also outlines perspectives and effective strategies for churches that wish to reach those who avoid churches Understanding what makes the unchurched tick will give you a better chance of relating to them in meaningful ways *Slow Church* C. Christopher

Smith, John Pattison, 2014-05-06 In today's fast food world Christianity can seem outdated or archaic. The temptation becomes to pick up the pace and play the game. But Chris Smith and John Pattison invite us to leave franchise faith behind and enter the kingdom of God where people know each other well and love one another as Christ loves the church. **Cultivating Perennial Churches** Robert D. Dale, 2008 *Scattering Seeds* Stephen Chapin Garner, 2010-01-27 In *Scattering Seeds* Cultivating Church Vitality Stephen Chapin Garner and Jerry Thornell share the story of their home congregation the United Church of Christ in Norwell MA. This average congregation has approached congregational life in a not so average way. Each congregant is seen as a minister bringing the good news of Christ to the community. The church has moved away from boards and committees instead utilizing the people to form ministry teams and they have revitalized the way they approach and practice worship and education. Garner and Thornell don't claim to have the secret to church growth and vitality but in sharing the story of their simple church in New England they give hope and innovative ideas to congregations in regions all over the country. Cultivating a People for God Enoch Kwan, 2019-04-09 This is not just another book. It is a long but timeless message better described as a theology of Discipleship. I wish God had used someone else who is smarter to write this book and it may have come out sooner. It took God 25 years for me to capture the bits and pieces while God taught me in time. This book will show you God's heart and get you excited about fulfilling His plan. You will find the simple way of integrating spirituality and ministry while pleasing God in all areas of your life and ministry. The wide Scripture supported fresh philosophy and framework presented in this book will help you feel God's heartbeat. It will elevate your perspective and build a stronger motivation for your church to engage with Christ's Great Commission. You will discover the God inspired strategy for discipleship in the Commandments for the Great Commission. You will discover how we may effectively cultivate and offer daily to God a People God awaits. Your congregation will have time to enjoy life and God while fulfilling the Great Commission and maturing as Christians in God's inspired ways. You will be glad to allow this book to jump to the front of your reading list as it may inject transformational elements to your other reading. It is possible that the message presented in this book will spark a new movement for God's people. Come join me in fellowship through this book and decide for yourself to see if you can be a part of this new and exciting journey.
