L. Gregory,2014-08-27 Here s the thing my family has a few secrets When I was ten I found out a big one My Dad is not my father Never mind that my Mom and Dad have been married for years longer than I ve been alive or that my biological father and his wife have been married for almost as long because I have no idea how any of that went down What I do know is that it doesn t add up I didn t tell them that I knew I d overheard a conversation that made it sound like it would be dangerous for me to be Matt s daughter So I kept my mouth shut and tried to enjoy the happy little family that my parents had tried to ensure I d have Except Dad got a new job and travelled a lot He only comes home every couple of months now And his job wasn t the safest around either I no longer had the safe normal life my parents had intended for me The happy family bubble had burst So since whatever deal that had been made appeared to be broken I decided to reach out to my biological father and try to have a relationship while still playing the game of pretending to not know the truth I have a plan to play on their fears for me They re afraid I m going

to get hurt by someone if my true parentage was found out So the best way to appeal to Matt as far as I could figure was to approach him and ask for help in learning some self defense And once that door is opened maybe I can get to know the rest of his family too Matt never considered turning me away when I reached out to him but being around him came with strings Lots of strings all designed to keep me safe and hide the secret And then one day as I was on my way home I got snatched They said they kidnapped me because they wanted to draw my father out My problem I don t know which father they re after and I can t open my mouth and say anything because I don t know who s safe and who s not **Secret Dad** Raye Morgan,2002
