Circles Stones Sanyel Michael Puttonen:

Circles and Stones Michael Puttonen, 2015-12-15 Teen shaman Sanyel and her friend Izzy have agreed to help rescue a former enemy's son from the boy's abductor, a prominent powerful leader. Their mission takes a strange turn when various people, both known and unknown to the rescuers, inexplicably begin to appear and then disappear before their eyes. As these bizarre events grow in number, the adventurers continue their challenging rescue mission, becoming increasingly aware that the ongoing mysterious appearances and vanishings might hold a greater peril than their bold, risky attempt to free the boy.

Sanyel Michael Puttonen, 2013-09-29 At fifteen, Sanyel is as good as dead. In defiance of strict tribal and religious law, Sanyel's shaman father has been covertly training her in the secret knowledge and rituals of the medicine man, sacred practices prohibited to females. Public exposure of that egregious transgression leads to Sanyel's banishment to the unforgiving Desert of Bones, the equivalent of a death sentence. Sanyel's best friend betrayed her, offering her up to the brutish council chief Barkor in exchange for sparing the life of her boyfriend, who was accused of a capital offense. The savage desert cruelly tests Sanyel's will to survive, and she begins to question her father's belief in portents that surrounded her birth. He had told her that these signs indicated a destiny that included leading her people in a time of great trouble. It was that belief that led him to train her so rigorously in the arts of the shaman and in the skills of the hunter-warrior. Sanyel has secrets. She possesses unusual talents known only to her and her father. She will need those abilities for beyond the desert's edge lies a culturally and politically complex world that she did not know existed. Soldiers of a brutal expansionist people have attacked and enslaved Sanyel's tribe, and when she spots Lillatta, the friend who betrayed her, held prisoner in a slave caravan, she vows to free her. With the companionship of Javen, a boy of undeniable physical attractions, along with Brilna, an unfocused yet invaluable fountain of knowledge, and the remarkable Izzy, a one-armed girl of intimidating presence and deadly skill, Sanyel will rise from desert exile to embark on a mission that is both perilous and deeply personal. Along the way, she will find unexpected love and form stalwart bonds of friendship, uncover intriguing mysteries of an advanced, long-vanished culture, and unearth clues that suggest she holds a more unique and powerful status in the world than she ever imagined.
