Coach Joel Comiskey, 2022-04-22 Research has proven that the greatest contributor to cell group success is the quality of coaching provided for cell group leaders. Many are serving in the position of a coach but they don't fully understand what they are supposed to do in this position. Joel Comiskey has identified seven habits of great cell group coaches. These include: Receiving from God, Listening to the needs of the cell group leader, Encouraging the cell group leader, Caring for the multiple aspects of a leader's life, Developing the cell leader in various aspects of leadership, Strategizing with the cell leader to create a plan, Challenging the cell leader to grow. Practical insights on how to develop these seven habits are outlined in section one. Section two addresses how to polish your skills as a coach with instructions on diagnosing problems in a cell group, how to lead coaching meetings, and what to do when visiting a cell group meeting. This book will prepare you to be a great cell group coach, one who mentors, supports, and guides cell group leaders into great ministry.

7 Key Qualities of Effective Teachers Robin Cox, 2020-01-01 7 Key Qualities of Effective Teachers: Encouragement for Christian Educators aims to encourage and inspire Christian teachers in their critically important role as transformative educators who motivate and encourage others to become the best people God created them to be. The book explores seven key qualities of an effective teacher: relationships, Christlikeness, empowerment, empathy, humility, affirmation, and teamwork. Each chapter contains a prayerful reflection, an encouraging and inspiring poem or idea, quotes, and references to provide compelling biblical reasons to keep focusing on a relational God and true stories of how Christian educators have encouraged others in both secular and Christian school environments. Seventy-two practical teaching strategies are spread throughout the book. Each chapter concludes with movers and shakers, two true examples of how God uses ordinary, imperfect, and fallible individuals to do his extraordinary global work.

Gospel Coach Scott Thomas, Tom Wood, 2012-05-08 In order to help pastors and other Christian leaders to lovingly lead God's flock to Jesus Christ and into God's mission, Scott Thomas and Tom Wood clarify a process of coaching and shepherding that is rooted in the patterns of the Good Shepherd himself, a process in which leaders stir up the gifts, passion, and calling upon others' lives. This book addresses the needs of the leader, his or her sinful tendencies, and church leadership issues. It directs the leader to the person and work of Jesus. It provides a system to intentionally shepherd leaders to glorify God in their personal spiritual and missional lives. Many ministry leaders serving in churches find themselves overwhelmed, disillusioned, and depressed by the enormous and challenging task of leading and ministering in a congregation. As a result, the ministry suffers; the leaders suffer, and the result is often an unhealthy church existent with little or no Gospel influence. These leaders need someone to shepherd their soul so that they can lead others to the Chief Shepherd, Jesus Christ. We suggest that coaching for the church leader looks less like corporate consulting or humanistic psychology and more like biblical shepherding. We suggest that every church leader needs a Gospel Coach to come alongside with words of truth, wisdom, and experience to encourage, admonish, comfort, and help, words drawn from Scripture and godly wisdom grounded in the gracious saving work of Jesus Christ and presented in the context of a trusting relationship. Gospel Coaching

is an intentional relationship to skillfully care for others with four ancient shepherding principles 1 Know the sheep 2 Feed the sheep 3 Lead the sheep and 4 Protect the sheep A Gospel Coach both inquires about the personal spiritual and missional aspects of a ministry leader's life in a loving yet focused manner and also probes the church leader for compulsive unbelief or selfish motivation or disobedience and sin and leads the ministry leader back to the Gospel through belief repentance and obedience Churches that desire to be rich in a Gospel application toward their city their relationships with one another their communication and worship as well as their service will benefit to a greater degree by having their leaders being coached by a Gospel centered leader
