Typography

The Brand Standards use the Gotham font family. The font family can be purchased at www.typography.com.

When local character language sets prohibit the use, the local Market Group should set and communicate a standard that is as close to the Gotham typeface as possible.

Primary Font

Gotham Medium should be used for headlines on all packaging and Brand Communications.

Body Copy

Gotham Book should be used for body copy on all Brand Communications. However, Gotham Medium is the preferred font.

Offer / Pricing

Gotham Bold should be used for functional messaging only, such as getting in a call to action.

Substitute Font

When Gotham is unavailable, the Arial font may be used for external communications or brand text only. Do not use Arial in consumer situations.

Campaign Font

A campaign can use its own type treatment and specific primary font instead of Gotham. However, use Gotham Medium for all supporting copy, sub-heads and offer text.

Usage Rights

The Coca-Cola Company does not have global rights to any of the Brand fonts except for Gotham. All agencies producing designs according to these Brand Standards are responsible for purchasing all other fonts in their market and adhering to the terms of the seller's license agreement. The Coca-Cola Company accepts no responsibility for illegal use of any font or designs produced by any third party agency.
