Code Apocalypse Martin Cole:

Social Theory for English for Academic Purposes Alex Ding, Michelle Evans, 2022-07-28 This book written by pioneering architects of original social theory in educational linguistic fields as well as expert practitioners systematically exposes the sociological commitments of mainstream ideas and theories in English for Academic Purposes EAP commitments which are very often not fully examined by the discipline but nonetheless shape practitioners ideas and their praxis The initial chapters outline what social theory is the normative critical descriptive social and generative purposes it serves the scope and limits of social theory and tracing the major historical traditions and recent currents This mapping of social theory is followed by a detailed argument that makes the case for the centrality of social theory for EAP practitioners and praxis and the need to develop a sociological imagination to enhance knowledge and agency of practitioners The contributions reveal the sociological foundations and commitments that underpin established theories in EAP such as genre theories systemic functional linguistics and academic literacies Each of these three major research streams in EAP is subject to critical analysis linking each of these streams to the sociological commitments that underpin them Finally the book explores the social theories and approaches that have yet to make a full or significant impact on EAP research and practice but would enable practitioners and researchers to understand educational contexts texts structures culture s knowledge production and producers and social agents with greater sociological clarity and sophistication Topics covered include social realism legitimation code theory critical realism ethnography feminism and Bourdieusian concepts for EAP The overarching aim of this volume is to position social theory much more centrally to frameworks and conceptions of the unstable and contested knowledge base for EAP practitioners and to promote a sociological imagination among and for EAP practitioners

The Rules of Screenwriting and Why You Should Break Them Bill Mesce, Jr., 2017-05-21 A couple of generations ago the movie industry ran on gut instinct film schools audience research departments and seminars on screenwriting were not yet de rigueur Today the standard is the analytical approach intended to demystify filmmaking and guarantee success or at least minimize failure The trouble with this method is that nobody knows how to do it they just think they do and films are made based on models of predictability rather than the merits of the script This insider s look at the craft and business of screenwriting explodes some of the popular myths demonstrating how little relevance the rules have to actual filmmaking With long experience in film and television the author provides insightful how not to analyses with commentary by such veterans as Josh Sapan CEO of AMC Networks bestselling author Adriana Trigiani and Oscar nominated screenwriter Nicholas Pileggi Goodfellas

The Islamic State Ondrej Filipec, 2020-03-10 The Islamic State analyzes the transformation of ISIS Daesh from an underground insurgent organization to a quasi state entity It traces the genesis and evolution of what may be interpreted as a revolutionary war aimed at the creation and expansion of a new society and world order in the ruins of Syria and Iraq This book Analyzes the regime s totalitarian features including structure ideology propaganda and violence

Examines its ideology with a focus on radical Islamism and Salafi jihadism Studies the economics behind its continued existence and Explores the attitude of key state and non state actors especially Russia USA and the Global Coalition towards Daesh An indispensable guide to the study of modern terrorism this book will be of great interest to students and researchers of Middle East studies terrorism with a focus on ISIS military and strategic studies politics and international relations as well as general readers The Complete Book of Pontiac GTO Tom Glatch,2018-11-13 The Complete Book of Pontiac GTO gives you a year by year model by model exploration of the world s first muscle car all in full color photography most of which has never been published When Pontiac created the original muscle car the GTO it reshaped the automotive world like a four inch piston going through a three inch cylinder bore Everything changed the moment John Zachery DeLorean and his crew of hot rodding miscreants bolted a big engine into a smaller car and created the 1964 GTO Make no mistake DeLorean and his partners in crime were genuine outlaws The GTO broke so many of General Motors corporate rules that the people responsible should have been fired And they would have been except the car was a hit The Complete Book of Pontiac GTO explores every iteration of the first car created specifically for baby boomers With rare photography from the archives of Hot Rod and Motor Trend magazines this book is the complete resource for fans of of the world s first muscle car **Theology on a Defiant Earth** Jonathan Cole,Peter Walker,2022-11-01 Humanity operates like a force of nature capable of affecting the destiny of the Earth System This epochal shift profoundly alters the relationship between humankind and the Earth presenting the conscious thinking human animal with an unprecedented dilemma As human power has grown over the Earth so has the power of nature to extinguish human life The emergence of the Anthropocene has settled any question of the place of human beings in the world we stand inescapably at its center The outstanding question which forms the impetus and focus for this book remains What kind of human being stands at the center of the world And what is the nature of that world Unlike the scientific fact of human centeredness this is a moral question a question that brings theology within the scope of reflection on the critical failures of human irresponsibility Much of Christian theology has so far flunked the test of engaging the reality of the Anthropocene The authors of these original essays begin with the premise that it is time to push harder at the questions the Anthropocene poses for people of faith **The Code of the Apocalypse** Martin Cole, Catalog of Copyright Entries.
