Who Faked the "World's Oldest Bible"? David W. Daniels, 2021-07-09 If the devil has cooked up a plot against your Bible would you want to know it Conspiracy theories are destroyed by solid evidence Author David W Daniels came to the point where he could no longer ignore the mounting evidence He was schooled in Bible college and seminary to believe that the King James was hopelessly obsolete But the mounting confusion around the new Bible translations left him wondering He already knew how to use modern search techniques to quickly discover relevant evidence He soon learned that the Bible version issue was more than a baseless conspiracy Many new facts had become available shedding light on the history of Bible versions He learned that the scholars who decided over 100 years ago to fix the King James may not have had the best intentions His discovery of Satan's plan to damage God's words is chronicled in a series of books In 2017 his book *Is the World's Oldest Bible a Fake* presented heavy evidence against Codex Sinaiticus the manuscript that scholars claim is the world's oldest Bible This book attempts to answer the next question Who Faked the World's Oldest Bible It reads like a mystery novel but over 100 illustrations and more than 300 footnotes gives it the force of a graduate research paper The murky narrative of the discovery and evaluation of the Sinaiticus becomes much clearer with this new book Daniels leaves it up to the reader to decide how this might affect his or her eternal destiny [Tyndale Bible Dictionary](#)
