Coffee Lovers A Book For Coffee Lovers:

The Little Book for Coffee Lovers Felicity Hart,2023-09-14 Prepare to take your love of coffee to the next level with this richly aromatic tour of the world's favourite drink from bean to cup and beyond Happiness comes in all shapes and sizes espresso cortado flat white latte cappuccino We wake up and smell it We crave it when we're sleepy We take deep lungfuls of its rich aroma when we buy a new bag of it We put it in cakes cocktails and just about every other type of food imaginable But most of all we rely on it to punctuate our day with a caffeine hit and a small burst of all its delicious flavours In this homage to the coffee bean you will Learn how coffee was discovered how it is grown and how it is turned into our favourite drink Discover everything you wanted to know about different beans roasting styles and brewing techniques Take a barista training course from the comfort of your own kitchen with top tips on making the perfect brew at home Get to grips with modern developments in the coffee world such as nitro cold brew proffee and snapchilled coffee Try out delicious coffee based recipes from flavoured lattes and iced coffees to coffee fudge tiramisu homemade syrups and espresso martinis The only thing this book doesn't contain is caffeine you'll have to make a fresh cup of joe for that

A COFFEE LOVER'S GUIDE to COFFEE Shlomo Stern,2015-12-09 In a quiet unnoticeable revolution multitudes of coffee shops have opened in recent years around the world The popular instant and drip coffees have been replaced by espresso macchiato and cappuccino as good as those served in the best coffee shops in Italy The expansion of a flourishing coffee market was followed by the development of espresso machines moka pot French press and other newfangled equipment This rapid development created a gap between those who wanted to learn and understand the coffee world and the availability of reading material The aim of this book is to fill that gap I hope you'll enjoy reading this guide and that it will improve your coffee enjoyment To all coffee lovers everywhere cheers The more you read this guide the more you notice details If you only glance at the pages about roasting and profiles it looks interesting but if you come back to them a second or third time you will notice many more details Warmly recommended Morio12 I indulged myself last week with Shlomo Stern's coffee guide book I began to read it It is very impressive and user friendly He writes in depth at the right places and skims the details which are less important The book is an comprehensive survey of coffee its history types and varieties ways of brewing including a short discussion of grinding and brewing machines and even harps on beliefs pertaining to coffee including coffee reading Very nice as a present to someone starting out in the field and recommended Moti R I read Shlomo Stern's book *A Coffee Lover's Guide to Coffee* I recommend it warmly It is written with a love for coffee Shlomo who does not deal in coffee for a living has investigated the world of coffee and written about it in full and interesting detail and every coffee lover will find subjects that will interest him and answers to questions he has obviously asked before All about coffee and nothing is missing More power to Shlomo with much respect Ilan S
