Everett L. Worthington

Cross Cultural Servanthood Serving The World In Christlike Humility:

Cross-Cultural Servanthood Duane Elmer, 2006-03-08 With careful biblical exposition and keen cross cultural awareness Duane Elmer offers principles and guidance for avoiding misunderstandings and building relationships in ways that honor people in other cultures

Cross-Cultural Servanthood Duane Elmer, 2009-08-20 With careful biblical exposition and keen cross cultural awareness Duane Elmer offers principles and guidance for avoiding misunderstandings and building relationships in ways that honor people in other cultures

Lessons from Cross-Cultural Collaboration Eloise Hockett, John Muhanji, 2017-04-12 How should we positively interact with others from all types of backgrounds in ways that acknowledge God's diversity in the world What are effective ways to engage in cross cultural collaboration endeavors that honor and respect the culture of those involved with our efforts The principles of cultural humility beginning with intentional relationship building provide a framework that can guide our cross cultural interactions and partnerships with others both locally and globally in ways that respect both the culture and backgrounds of others In this book Eloise Hockett and John Muhanji share their unique experiences of cross cultural collaboration using the principles of cultural humility primarily in Kenya From Mt Elgon to a village in rural Kenya to working with teachers in schools John and Eloise describe each project through the lens and perspective of an American and a Kenyan Within these narratives Eloise and John also share their journey of how they learned to engage and work with one another and learn from each other John and Eloise believe their collaborative efforts incorporating the themes of cultural humility fully demonstrate how God can work through each person regardless of their cultural background in order to carry out His plan in the world

Humility Everett L. Worthington, 2007-10 Humility is a virtue that can be difficult to describe because of its paradoxical nature claiming authority about humility and claiming that one is humble both suggest a lack of humility In *Humility* Everett L. Worthington Jr seeks a way around this paradox by looking to people who are considered by others to be humble He suggests people as examples Jesus Siddhartha Gandhi Mother Teresa and Martin Luther King Jr He looks too at people whom he admires He examines the characteristics of humility they share and in doing so formulates a working understanding of humility Science has made few attempts to measure humility Worthington points out but those few studies do give a different but complementary perspective on humility than the wisdom of the ages Humility may not be a skill we can learn but people can be inspired to be humble Great people and ordinary people acting nobly can inspire us Worthington writes When we catch the spirit we can transfer that spirit from ourselves to others Quotations interspersed throughout the book reinforce the message that the unassuming virtue of humility transforms lives

Beyond Ourselves D. Kroeker, 2014-03-28 So often in the Christian community we hear the question What do we need to do to reach the unreached While this appears to be a good question perhaps it's the wrong question Instead of focusing on what might be best practices our answers tend to revolve around what are best practices for us The better question is How can the unreached be reached This takes us out of the center of the story

and seeks to find the best methods and means to reach those who need to clearly hear the good news of Gods grace

Missiological Research Marvin Gilbert, Alan R. Johnson, Paul W. Lewis, 2018-01-15 Interdisciplinary Foundations Methods and Integration This comprehensive volume is one you will pull off your shelf again and again as you delve into missiological study The editors could not have made a more thorough or straight forward volume that will serve researchers across disciplines Each chapter succinctly defines the method summarizes its process suggests resources for more advanced interaction and provides an exemplar journal article with abstract Features to look forward to include 13 significant issues in missiological research 8 theological frameworks defined 10 quantitative methods defined with examples 12 quantitative methods defined with examples 25 appendices of invaluable tools from quotable citable information to open access journals interview techniques and so much more Enjoy the benefits of 14 veteran practitioner scholars who provide clear and concise guidance to empirical research methodology biblical theological inquiry and the integration of the two interdisciplinary approaches

Christian Global Health in Perspective Rebecca Meyer, 2024-04-02 Healing the Nations Restoring Shalom The world is grappling with complex health challenges and disparities forcing us to confront many pressing questions How do Christians understand and practice healthcare What is the biblical view of health and healing This workbook unravels these queries offering deep insights into the Christian approach to global health issues *Christian Global Health in Perspective* delves into the biblical foundations of health historical perspectives of Christian medical missions and strategies for integrating faith with modern healthcare Health is wholeness in body mind and spirit The authors seasoned experts in theology and medicine guide readers through an exploration of how the church can innovatively respond to current global health concerns This resource is essential for healthcare professionals church leaders development workers and anyone interested in the intersection of faith and health Reading this book may result in a paradigm shift for some who view remission of disease as the sole focus for healing when from a biblical perspective wholeness and shalom form the basis for promoting health *Christian Global Health* invites you to join this transformative mission where faith and healthcare converge for global well being

Leading Multicultural Teams Evelyn Hibbert, Richard Hibbert, 2014-05-28 Churches and mission agencies are increasingly characterized by cultural diversity As a result many Christians find themselves working as part of a multicultural team Leading these teams is a complex challenge that requires team leaders to understand how to help multicultural teams thrive Team leaders need to know how to help team members grow in particular qualities and acquire specific skills related to multicultural teamwork This book integrates insights from the Bible team theory leadership and intercultural studies to explain how leaders of multicultural teams can help their teams become enriching and enjoyable contexts to work in at the same time as achieving their purpose

Trauma and Coping Mechanisms among Assemblies of God World Missionaries Valerie A. Rance, 2021-12-21 Trauma from the fall of Adam and Eve forward impacts human lives in overpowering ways A review of the lives of biblical personalities and missionaries reveals shared traumatic experiences In addition to the stress of

cultural adjustment missionaries often live in contexts of violence political unrest economic instability natural disasters and relational conflict The examined biblical personalities faced similar issues yet a majority coped with trauma in ways that led to well being The proposed biblical theory of well being assists missionaries to move deeper in their trust of God by utilizing the coping skills of the biblical personalities including asking God for help lifting up their praise and worship to God standing on a sense of call working with God lamenting venting to God in healthy ways embracing a theology of suffering and accepting assistance from friends and family The adherence to the constructs of this theory protects missionaries from the ravages of psychological trauma by avoiding negative coping and developing positive coping skills that lead to trusting in the only One who gives hope in seemingly hopeless situations Learning from the Stranger David I. Smith, 2009-06-09 Cultural differences increasingly impact our everyday lives Virtually none of us today interact exclusively with people who look talk and behave like we do David Smith here offers an excellent guide to living and learning in our culturally interconnected world Learning from the Stranger clearly explains what culture is discusses how cultural difference affects our perceptions and behavior and explores how Jesus call to love our neighbor involves learning from cultural strangers Built around three chapter length readings of extended biblical passages from Genesis Luke and Acts the book skillfully weaves together theological and practical concerns and Smith s engaging readable text is peppered with stories from his own extensive firsthand experience Many thoughtful readers will resonate with this insightful book as it encourages the virtues of humility and hospitality in our personal interactions and shows how learning from strangers not just imparting our own ideas to them is an integral part of Christian discipleship
