

# The Crucible

ask These Questions – all questions are in order of events in Act Three

What does the suppressed guilt of The Crucible, which opened your consciousness, reveal about American Puritanism, and therefore, implications of the story? (Including its opening line that justice is required by divine circumstances. It is an attempt not only to justify religious persecution in America in terms that point to heavenly – a just cause – divine justice, but to allow a feeling of justice to the man in a position of authority over him.)
