to a male heir His sole male blood relative is his nephew Henry Jones a London clerk Henry has in the past incurred debts that the squire had paid off been sent away from Oxford and generally made a poor impression on his occasional visits to Llanfeare Nevertheless Henry is told of his uncle's intention to make him the heir to the estate and is invited to pay a visit Isabel rejects her uncle's suggestion that she solve his dilemma by marrying Henry as she cannot stand her cousin Indefer Jones finds his nephew to be just as detestable as ever As a result he overcomes his prejudice and changes his will one final time in Isabel's favour Unfortunately he dies before he can tell anyone Finding the document hidden in a book of sermons by accident Henry vacillates between keeping silent and revealing its location He is neither good enough to give up the estate nor evil enough to burn the document fearing disgrace a long jail sentence and not least eternal damnation Instead he comforts himself by reasoning that doing nothing cannot be a crime Indefer Jones had had his last will witnessed by two of his tenants but since the will cannot be found despite a thorough search of the house Henry inherits the estate However already extant suspicions are only strengthened by his guilty manner He endures abuse from everyone his own servants either quit or treat him with disrespect He takes to spending hours in the library where the will is hidden The local newspaper begins to publish accounts of the affair that are insulting and seemingly libelous to Henry It accuses him of destroying the will and usurping the estate from Isabel whom everybody knows and respects The old squire's lawyer Mr Apjohn himself suspecting that Henry knows more than he lets on approaches the new squire about the articles pressuring the unwilling young man into taking legal action against the editor Henry finds that this only makes things worse The prospect of being cross examined in the witness box fills him with dread He realises the truth would be dragged out of him in court
