Evaluation Basics, 2nd Edition Donald V. McCain, 2016-06-27 Your training Do they love it or live it How do training professionals show the impact their programs are making Positive feedback only goes so far in confirming success And entertainment value while important isn't the truest measure of your effectiveness To find out whether your participants are applying what they've learned on the job you need a good evaluation strategy one that connects evaluation to performance program design and bottom line value Each chapter of Evaluation Basics focuses on a critical aspect of developing and implementing an evaluation plan for a face to face or virtual training program You'll not only learn about the methods and

instruments you can use to determine the value of your program but you'll also get help effectively communicating results. Part of ATD's Training Basics series, the second edition of **Evaluation Basics** offers practical examples, worksheets, and new case studies to further your understanding. **Facilitation Basics, 2nd Edition** Donald V. McCain, 2015-09-07 Stop presenting and start facilitating meaningful learning. Whether you are a subject matter expert who occasionally takes on a trainer role, a trainer who wants to build on solid presentation skills, or anywhere in between, **Facilitation Basics** will help you create supportive and effective learning. This complete how-to guide is designed to improve your facilitation proficiency so you can give face-to-face as well as online and virtual classroom learners your best. Part of ATD's Training Basics series, this publication offers practical examples, worksheets, and tools that make workplace learning easy and rewarding. You'll walk away with proven facilitation techniques and a deeper understanding of how to manage difficult participants and use media to support learning. This refreshed second edition will guide you through how to enhance your skills as a facilitator, create supportive and effective learning environments for face-to-face and online learners, ensure learning is transferred to the job. About the Training Basics Series: ATD's Training Basics series provides a baseline explanation of the theories and concepts behind featured topics as well as instructions for their practical day-to-day application in the workplace.
