Covenant Hearts Why Marriage Matters And How To Make It Last:

Covenant Hearts Bruce C. Hafen, 2013-10-14 *Grounds for Marriage, Book and Study Guide* Jade G. Stone, 2011-02-17

Your marriage is in crisis and you've read countless books on how to make it work but to no avail. You haven't seen sustainable change in your relationship and you're ready to give up hope that counseling will be effective. You're weary of striving and you may have even considered having an affair, doing violence to yourself or to your partner, or indulging in an addiction. Perhaps you already have. You cannot stomach another false promise or simplistic solution to the complex problems in your marriage and you wonder if there is any other way. *Grounds for Marriage* speaks into the wreckage of broken covenants with a fresh perspective on relationship, refusing to apply flimsy bandages to fractured relationships and insisting that the core brokenness be addressed and genuinely repaired. This material helps couples and their counselors to honestly evaluate troubled marriages, providing a much-needed compassionate, sensible, hopeful sound and sometimes unexpected understanding of the scriptures and of relationship. Synchronizing personal story, anecdotes from her work as a Licensed Professional Counselor, and a review of literature in psychology and theology, Jade G. Stone helps couples in crisis to study the scriptures to determine what they say constitutes a marriage covenant, recognize how both partners contribute to failure in their marriage, heal from old wounds so they can be in covenantal relationship with God and with a covenant companion. With no nonsense directness and high definition clarity, Stone helps you envision how human covenantal commitments must function in order to mirror intimacy with God. She presents the criteria of wholehearted covenant as a measuring stick for relational intimacy, grounds for marriage without which you cannot determine what comprises broken intimacy, grounds for divorce. From a covenantal relational perspective, you can maintain scriptural integrity, understanding and wisdom as you evaluate a marriage in crisis. *Grounds for Marriage* includes a study guide to help readers personalize the concepts presented.

B. Behbudi,Dr Colin Turner,2013-09-13

This new rendering of the Holy Quran into the English language is the first of its kind since it is a combination of translation and exegesis in which the author opens out the verses of the Holy Book to reveal some of the layers of meaning expounded by the Prophet and transmitted through the ages by the Prophet's companions family and the scholars who followed them. The fruit of over thirty years of research into the principles of Quranic exegesis and hadith analysis, this work matches a depth of Arabic and Islamic learning with a mastery of English that is lucid and accessible while preserving the integrity of the original text.
