Daughters Of The Revolution And Their Times 1769 1776 A Historical Romance 1895:

Daughters of the Revolution and Their Times (Illustrated Edition) Charles Carleton Coffin, 2019-06-09 Many volumes have been written setting forth the patriotism and heroism of the fathers of the Republic but the devotion of the mothers and daughters has received far less attention This book is designed therefore to portray in some degree their influence in the struggle of the Colonies to attain their independence The narration of events takes the form of a story a slight thread of romance being employed rather than didactic narrative to more vividly picture the scenes and the parts performed by the actors in the great historic drama It will not be difficult for the reader to discern between the facts of history and the imaginative parts of the story
