Davenport Postcard History Iowa:

A Brief History of Bucktown: Davenport's Infamous District Transformed Jonathan Turner, 2016-09-26 German immigrants created leafy beer gardens here nearly two centuries ago establishing Bucktown as the heart of entertainment in downtown Davenport for generations In 1916 the founding of the Tri City Symphony Orchestra at the Burtis Opera House embodied the neighborhood's reputation for high culture The numerous saloons and theaters as well as the forty two documented brothels that flourished within two blocks lent a bawdy side to the good times Varied industries thrived through World War II and downtown bustled with shoppers visiting department stores like Petersen's Later the neighborhood struggled and declined as a farming crisis hit the region hard With revitalized landmarks like the magnificent Hotel Blackhawk and the historic Redstone Building the community is growing more vibrant as a place to live work and play Author Jonathan Turner explores this dynamic history and transformation **Eerie Quad Cities** Michael McCarty, John Brassard Jr., 2021-08-23 Like the mighty Mississippi River that cleaves the Quad Cities the region's history can trap the unwary in some unexpected eddies Peer through the fog of the past to catch a glimpse of the Tinsmith Ghost of Rock Island or the river serpent with a price on its head Get the back story on the Banshee of Brady Street read the 1869 report on a Bigfoot sighting near East Davenport and run the numbers on local UFO activity From phantom footsteps in the Renwick Mansion to a mausoleum heist in Chippiannock Cemetery Michael McCarty and John Brassard Jr trace a path through the shadowy heritage of the Quad Cities Quad Cities Beer Michael McCarty, 2023 The Quad Cities have a rich history of brewing that started with the influx of German citizens in the 1800s Breweries were established on both sides of the Mississippi River Some of these historic breweries managed to reopen after Prohibition but national competition ultimately closed the last of these stalwarts in 1956 In 1989 Iowa created a special class A brewpub permit and the first of many brewpubs in the area Front Street Pub Eatery opened in 1992 Blue Cat Brew Pub on the Illinois side of the river opened shortly after The brewing renaissance has helped to establish the Quad Cities as a craft beer destination Join authors Michael McCarty and Kristin DeMarr as they celebrate the heady heritage of the region *Iowa* Jeri Freedman, 2010-01-15 Presents the history geography government economy and people of Iowa as well as general facts about the state **Davenport** Doug Smith, 2007 Native Americans inhabited the gentle sloping bluffs along the Mississippi River on which Davenport now sits The peoples who lived on the fertile soil of eastern Iowa were forced into selling their land for pennies to white settlers From the original survey of the town in 1836 throughout the 19th and early 20th centuries progress was steady as steamboats navigated the dangerous rapids of the Mississippi River and settlers came to battle extreme Midwest winters and plow the unbroken prairie In 1856 the first bridge to span the river was completed here heralding the locomotive from the east and becoming of major importance to the movement west German and other immigrant families came in droves and with them the development of major national industrial centers for agriculture and its implements lumber and building material alcohol and tobacco and

numerous other products Davenport has been a town of unusual and fascinating history **Historical Encyclopedia of Illinois** Newton Bateman,1916 **Along Iowa's Historic Highway 20** Michael J. Till,2014 US Highway 20 was designated a federal highway in 1926 For the first half of the 20th century it was the most important east west road across northern Iowa extending from the Mississippi to the Missouri River The road connected 13 counties four major metropolitan areas and many smaller communities along its route Fortunately the historic two lane road remains almost completely intact and can be driven much as travelers did in years gone by Along Iowa s Historic Highway 20 celebrates such a trip illustrated by more than 200 antique postcards that show the personality of the road town and city scenes rural vistas rivers bridges and historic sites Not to be forgotten are the tourist courts hotels diners and gas stations that made travel possible **The Palimpsest** ,1985 The Quack's Daughter Greta Nettleton,2013-05-01 Raised in the gritty Mississippi River town of Davenport Iowa Cora Keck could have walked straight out of a Susan Glaspell story When Cora was sent to Vassar College in the fall of 1884 she was a typical unmotivated newly rich party girl Her improbable educational opportunity at the first great educational institution for womankind turned into an enthralling journey of self discovery as she struggled to meet the high standards in Vassar s School of Music while trying to shed her reputation as the daughter of a notorious quack and self made millionaire Mrs Dr Rebecca J Keck second only to Lydia Pinkham as America s most successful self made female patent medicine entrepreneur of the time This lively stereotype shattering story might have been lost had Cora s great granddaughter Greta Nettleton not decided to go through some old family trunks instead of discarding most of the contents unexamined Inside she discovered a rich cache of Cora s college memorabilia essential complements to her 1885 diary which Nettleton had already begun to read The Quack s Daughter details Cora s youthful travails and adventures during a time of great social and economic transformation From her working class childhood to her gilded youth and her later married life Cora experienced triumphs and disappointments as a gifted concert pianist that the reader will recognize as tied to the limited opportunities open to women at the turn of the twentieth century as well as to the dangerous consequences for those who challenged social norms Set in an era of surging wealth torn by political controversy over inequality and women s rights and widespread panic about domestic terrorists The Quack s Daughter is illustrated with over a hundred original images and photographs that illuminate the life of a spirited and charming heroine who ultimately faced a stark life and death crisis that would force her to re examine her doubts about her mother s medical integrity **Muscatine** Kristin McHugh-Johnston,2010-11-08 Muscatine situated on one of the largest eastwest bends of the Mississippi River grew from a small territorial trading post into an Iowa community rich in agricultural bounty and manufacturing ingenuity Mussels harvested from the mighty Mississippi propelled the city to the status of the Pearl Button Capital of the World by the turn of the 20th century Booming lumber yards sash and door manufacturers and the first H J Heinz canning facility built outside of Pittsburg added to the towns growth and prosperity An aspiring writer named Samuel Clemens civil rights pioneer Alexander Clark Sr the self proclaimed cancer cure

of Norman Baker and other notables add even more texture to the towns rich heritage The story of Muscatine is traced through these businesses and the men and women who left a legacy of work ethic that defines the Midwest
