Descending Into Greatness:

Descending Into Greatness Bill Hybels, Rob Wilkins, 1994-08 Learning to put God's kingdom first by choosing to put self second is the secret to finding true satisfaction This book examines how that is possible by looking at various real world situations

Rediscovering Church Lynne Hybels, Bill Hybels, 1997-12 Rediscovering Church is the candid story of Willow Creek Community Church's phenomenal growth from 100 members meeting in a Palatine Illinois movie theater to its present Sunday morning attendance of 15 000 Bill Hybels and his wife Lynne tell about Willow Creek's beginnings its struggles the philosophy behind its success and the strategies that have made it a model for church growth The first half of the book written by Lynne Hybels explores the early years of Willow Creek and the personal accounts behind one of this century's most remarkable church stories It offers an honest look at the ways God has used both the strengths and weaknesses of His people creating a church of believers who have had tremendous impact for Christ in their community In the second half of Rediscovering Church Bill Hybels helps you apply the strengths of Willow Creek's ministry philosophy to your own congregation's mission From mission statements to developing leadership making sound financial decisions and handling growth Bill stresses that God wants to build His church to be an effective and committed community of faith that reaches out to a hurting world to be the body of Christ in real and tangible ways Rediscovering Church draws on the experiences of Willow Creek to show how one fellowship crystallized its mission and methodology its vision and values The Willow Creek story provides an example that churches and individuals alike can turn to for inspiration encouragement and a means of uncovering the pattern for their own unique mission and ministry

Counsel Fit for a King Mike Baker, 2003 **Full Service** Siang-Yang Tan, 2006-03-01 Although servanthood is often discussed as an important part of leadership it is also the basic calling of every follower of Jesus Christ Siang Yang Tan takes a fresh approach to servanthood exploring it as loving obedience to God in and of itself regardless of personal greatness fulfillment or success He lays out the biblical case and practical guidance to help all Christians live out their foundational call of being a servant of God in all areas of life Tan's focus on servanthood alone in contrast to the many books on servant leadership will appeal to pastors church leaders and all Christians interested in a biblical perspective on servanthood
