Martín-Rodríguez,2014-06-30 First Place Winner of the 2015 International Latino Book Award for Best Latino Focused Nonfiction Book Literary history is a history of reading What happens during the act of reading is the subject of the branch of literary scholarship known as reader response theory Does the text guide the

reader Does the reader operate independently of the text Questions like these shape the approach of the essays in this book edited by a scholar known for his groundbreaking work in using reader response theory as a window into Chicana and Chicano literature Manuel M Mart n Rodr guez has overseen several research projects aimed at documenting Chicana and Chicano reading practices and experiences Here he gathers diverse and passionate accounts of reading drawn from that research For many books served as refuges from the sorrows of a childhood marked by violence or parental abandonment Several of the contributors here salute the roles of teachers in introducing poetry and stories into their lives *Clarence Darrow's Plea in Defense of Loeb and Leopold* Clarence Darrow,1926 **Walks on the Ground** Louis V.

Headman,2020-02-01 2020 Choice Outstanding Academic Title *Walks on the Ground* is a record of Louis V Headman s personal study of the Southern Ponca people spanning seven decades beginning with the historic notation of the Ponca people s origins in the East The last of the true Ponca speakers and storytellers entered Indian Territory in 1877 and most lived into the 1940s In Ponca heritage the history of individuals is told and passed along in songs of tribal members Headman acquired information primarily when singing with known ceremonial singers such as Harry Buffalohead Ed Littlecook Oliver Littlecook Eli Warrior Dr Sherman Warrior son of Sylvester Warrior Roland No Ear and Pee wee Clark Headman s father Kenneth Headman shared most of this history and culture with Louis During winter nights after putting a large log into the fireplace Kenneth would begin his storytelling The other elders in the tribe confirmed Kenneth s stories and insights and contributed to the history Louis has written about the Ponca *Walks on the Ground* traces changes in the tribe as reflected in educational processes the influences and effects of the federal government and the dominant social structure and culture Headman includes children s stories and recognizes the contribution made by Ponca soldiers who served during both world wars the Korean Conflict the Vietnam War Desert Storm and the ongoing conflict in the Middle East *A Small Door Set in Concrete* Ilana Hammerman,2019-11-28 I was taught from the start not to be silent For years renowned activist and scholar Ilana Hammerman has given the world remarkable translations of Kafka With *A Small Door Set in Concrete* she turns to the actual surreal existence that is life in the West Bank after decades of occupation After losing her husband and her sister Hammerman set out to travel to the end of the world She began her trip with the hope that it would reveal the right path to take in life But she soon realized that finding answers was less important than experiencing the freedom to move from place to place without restriction Hammerman returned to the West Bank with a renewed joie de vivre and a resolution she would become a regular visitor to the men women and children who were on the other side of the wall unable to move or act freely She would listen to their dreams and fight to bring some justice into their lives *A Small Door Set in Concrete* is a moving picture of lives filled with destruction and frustration but also infusions of joy Whether joining Palestinian laborers lining up behind checkpoints hours before the crack of dawn in the hope of crossing into Israel for a day s work accompanying a family to military court for their loved one s hearing or smuggling Palestinian children across borders for a day at the beach

Hammerman fearlessly ventures into territories where few Israelis dare set foot and challenges her readers not to avert their eyes in the face of injustice Hammerman neither preaches nor politicks Instead she engages in a much more personal everyday kind of activism Hammerman is adept at revealing the absurdities of a land where people are stripped of their humanity And she is equally skilled at illuminating the humanity of those caught in this political web To those who have become simply statistics or targets to those in Israel and around the world she gives names faces dreams desires This is not a book that allows us to sit passively It is a slap in the face a necessary splash of cold water that will reawaken the humanity inside all of us Bowker's Complete Video Directory, 1998 ,1998 **The Judge** ,1926
