

The background of the slide is a photograph of a 5-axis CNC machine. The machine is a large, industrial-grade piece of equipment with a complex, multi-jointed arm that holds a cutting tool. The tool is positioned over a workpiece, which is not clearly visible. The machine is made of dark metal, possibly steel or aluminum, and has various cables and hoses attached to it. The lighting is dramatic, with strong highlights and shadows, giving the machine a sense of depth and complexity. The overall color scheme is dark and industrial, with a blueish-grey tint.
