Close Quarters A Womans Guide To Living And Working In Masculine Environments:

Close Quarters Tuuli Messer-Bookman, 2010 This unconventional and refreshingly candid book offers delightful and gritty advice to women working and living in masculine environments The author s first hand experiences can help women work more smoothly happily and successfully in any profession where men and women are in close quarters such as law enforcement fire fighting any aspect of the maritime industry construction forestry and the military Written frankly it covers everything from avoiding embarrassing male colleagues with one s laundry to graciously deflecting their romantic advances This book challenges the politically correct hair trigger sensitivities some women hold regarding sexual harassment and discrimination It gives new found respect to women who have endured sometimes brutal harassment in order to blaze trails into male dominated professions It applauds the merits of being a lady not just a woman no matter what the setting The book is sobering laugh out loud funny and thought provoking New Books on Women, Gender and Feminism ,2013 New Books on Women and Feminism ,2013

Immigrant Women's Voices and Integrating Feminism Into Migration Theory Nyemba, Florence, Chitiyo, Rufaro, 2020-12-25 Migration is a multifaceted phenomenon that plays a critical role in today s world yet there have been few attempts to look beneath the surface of the mass movements of people Particularly the changing face of migration is becoming more feminized with women increasingly moving as independent or single migrants rather than as the wives mothers or daughters of male migrants Yet in literature on migration the voices of women are still silent This creates an urgent need to advance academic research on female international migration by examining women as independent migrants Immigrant Women s Voices and Integrating Feminism Into Migration Theory comprehensively documents the experiences of immigrant women across the globe and the important theories that define their experiences The chapters give firsthand accounts of women speaking about their own experiences on migration and topics associated with women and migration This book aims to give women their own voice and to stand apart from previous literature in which male relatives spoke on behalf of immigrant women to tell their stories for them While highlighting topics on women in migration including feminism gendered social roles first person narratives and the female identity this book is ideally for professionals in social science disciplines as well as practitioners stakeholders researchers academicians and students wanting to expand their knowledge on women and migration gender violence and women empowerment *Ladies' Home Journal* ,1889 *Los Angeles Magazine* ,2003-11 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian **Resources in Education** ,2000-10 **New York Magazine** ,1997-06-23 New York magazine was born in
