Clowns Storytellers Disciples Spirituality And Creativity For Today's Church:

Clowns, Storytellers, Disciples Olive M. Fleming Drane, 2002 The call to be culturally relevant while also remaining biblically rooted is arguably the greatest challenge facing today's Christians The author addresses this question by combining the story of her own spiritual journey with informed theological reflection on the bigger picture of what God is doing in today's world *The Living Church*, 2004 **Doorways to the Sacred** Ian Mobsby, Phil Potter, 2017-06-28 Fresh Expressions of Church are key aspect of mission strategy for many denominations in the UK and beyond Here a stellar line up of writers explores the central question of how Fresh Expressions turn from mission projects into authentic forms of church developing a sacramental life of their own Chapters include Lucy Moore on Messy Church and Holy Communion Graham Cray on the sacraments for the unchurched Jonathan Clark on baptism and mission John Drane on seeing the world as sacramental Sue Wallace on the sacramentality of sacred space Reagan Humber pastor at Nadia Bolz Weber's church on liturgy and evangelism Adrian Chatfield on healing **The Out of Bounds Church?** Steve Taylor, 2010-12-21 What's Going on Out There Author Steve Taylor takes trips to the edge of the church envelope and sends us back what he's finding inside the emerging church around the globe From the revival of ancient spiritual practices to the rise of multimedia each of his posts sketches a view of the body of Christ in wild flux Topics include birth pilgrimage community creativity DJing and leading and following **Church & Stage** Dean J. Seal, 2005-07-25 Church and Stage is a guide for people in churches who want to employ theater in ministry and for theater people who want to create opportunities to work in churches The points of contact between religion and theater are numerous and Dean J Seal offers guidelines for making the connection work no matter what level of experience or financial commitment a congregation brings to the task The author who has worked in the worlds of both church and stage provides background on the historical and theological relationship between religion and theater He then offers practical advice and guidelines for the use of theater in the context of ministry from discussion groups to bibliodrama to play going to ultimately producing a show This book is a resource for ministers lay leaders youth groups and members of the theater community who desire greater integration of faith and work **Facilitation Skills for Ministry** Jo Whitehead, 2013-08-15 Facilitation is a way of leading which is empowering and participative The word facilitation comes from the Latin to make easy and facilitation is a way of managing processes that enable people to engage in learning belonging participating or growing This book is designed for those who wish to encourage and empower through their leadership skills Facilitation is about managing process drawing people in enabling them to contribute and holding the boundaries and values of a context to create a safe and productive place Many ministry training courses do not teach facilitation skills per se and ministers are often left to learn on the job Some become effective facilitators through reflection on their practice others develop tacit skills Many others flounder when it comes to facilitating effectively and participatively In a culture where ministry roles increasingly involve community involvement and working with congregations who expect to

participate in decision making and ministry this skill set is one that is increasingly needed This is particularly important in pioneer contexts where a more team based approach is the norm
