

A high-contrast, black and white close-up portrait of C. L. R. James. His face is the central focus, showing deep wrinkles on his forehead and around his eyes. He has a slight, thoughtful smile. The lighting is dramatic, with strong highlights and deep shadows. The background is dark and out of focus.

Clr James Crickets Philosopher King:

CLR James Dave Renton, 2013-10-31 Books about CLR James abound but this is a particularly good one. It is lucidly written, full of narrative interest and explores areas of the great Caribbean man's life and struggles that have rarely been a point of focus. Chris Searle, *The Morning Star*, Known as The Cricketing Marxist, Cyril Lionel Robert James (1901-89) was one of the leading black intellectuals of the 20th century, a Marxist theorist of the first rank and also one of the finest writers on cricket with his legendary book *Beyond a Boundary*. This seeming paradox is reflected in other areas of his life and work, the product of a British style education and fanatical cricketer who never abandoned the values the sport inculcated in him: he was a Trotskyite expelled from the USA during the McCarthy era who was a friend and inspiration to a generation of leaders of newly independent African countries such as Kwame Nkrumah of Ghana and Julius Nyerere of Tanzania. Described in his lifetime as the black Hegel and the black Plato, his book on the 18th century slave revolt in Haiti, *The Black Jacobins*, is one of the great historical works of the 20th century, yet he was never comfortable with the idea of Black Studies. In this fascinating new study of this seminal thinker, Dave Renton hopes to persuade Marxists of the joys of cricket and followers of cricket of the calibre of James and of James Marxism.

C.L.R. James Paul Buhle, 2017-10-10 A new edition of C. L. R. James's authorized biography. C. L. R. James was a man of prodigious and varied accomplishments. He was a protean twentieth century Marxist intellectual widely recognized as a pioneering scholar of slave revolt, a leading voice of Pan Africanism, a peripatetic revolutionary and scholar active in US and UK radical movements, a novelist, playwright and critic, and one of the premier writers on cricket and sports. This intellectual portrait was written by James's longtime interlocutor and comrade Paul Buhle and initially published in 1988. With a new final chapter, updated bibliography, a new foreword by historian Robin D. G. Kelley and a new afterword by Paul Buhle and the philosopher Lawrence Ware, this long awaited revised edition of a classic biography will be a key resource in the James revival.

C. L. R. James in Imperial Britain Christian Høgsbjerg, 2014-03-07 C. L. R. James in Imperial Britain chronicles the life and work of the Trinidadian intellectual and writer C. L. R. James during his first extended stay in Britain from 1932 to 1938. It reveals the radicalizing effect of this critical period on James's intellectual and political trajectory. During this time, James turned from liberal humanism to revolutionary socialism. Rejecting the imperial Britishness he had absorbed growing up in a crown colony in the British West Indies, he became a leading anticolonial activist and Pan Africanist thinker. Christian Høgsbjerg reconstructs the circumstances and milieus in which James wrote works including his magisterial study *The Black Jacobins*. First published in 1938, James's examination of the dynamics of anticolonial revolution in Haiti continues to influence scholarship on Atlantic slavery and abolition. Høgsbjerg contends that during the Depression, C. L. R. James advanced public understanding of the African diaspora and emerged as one of the most significant and creative revolutionary Marxists in Britain.

Libertarian Socialism Alex Prichard, Ruth Kinna, Saku Pinta, David Berry, 2017-08-01 The history of anarchist Marxist relations is usually told as a history of factionalism and division These essays based on original research and written especially for this collection reveal some of the enduring sores in the revolutionary socialist movement in order to explore the important too often neglected left libertarian currents that have thrived in revolutionary socialist movements By turns the collection interrogates the theoretical boundaries between Marxism and anarchism and the process of their formation the overlaps and creative tensions that shaped left libertarian theory and practice and the stumbling blocks to movement cooperation Bringing together specialists working from a range of political perspectives the book charts a history of radical twentieth century socialism and opens new vistas for research in the twenty first Contributors examine the political and social thought of a number of leading socialists Marx Morris Sorel Gramsci Gu rin C L R James Hardt and Negri and key movements including the Situationist International Socialisme ou Barbarie and Council Communism Analysis of activism in the UK Australasia and the U S serves as the prism to discuss syndicalism carnival anarchism and the anarchistic currents in the U S civil rights movement Contributors include Paul Blackledge Lewis H Mates Renzo Llorente Carl Levy Christian H gsbjerg Andrew Cornell Beno t Challand Jean Christophe Angaut Toby Borman and David Bates

Africana Critical Theory Reiland Rabaka, 2009-01-16 Building on and going far beyond W E B Du Bois and the Problems of the Twenty First Century and Du Bois s Dialectics Reiland Rabaka s Africana Critical Theory innovatively identifies and analyzes continental and diasporan African contributions to classical and contemporary critical theory This book represents a climatic critical theoretical clincher that cogently demonstrates how Du Bois s rarely discussed dialectical thought interdisciplinarity intellectual history making radical political activism and world historical multiple liberation movement leadership helped to inaugurate a distinct Africana tradition of critical theory With chapters on W E B Du Bois C L R James Negritude Aime Cesaire and Leopold Senghor Frantz Fanon and Amilcar Cabral Africana Critical Theory endeavors to accessibly offer contemporary critical theorists an intellectual archaeology of the Africana tradition of critical theory and a much needed dialectical deconstruction and reconstruction of black radical politics These six seminal figures collective thought and texts

clearly cuts across several disciplines and therefore closes the chasm between Africana Studies and critical theory constantly demanding that intellectuals not simply think deep thoughts develop new theories and theoretically support radical politics but be and constantly become political activists social organizers and cultural workers that is folk the Italian critical theorist Antonio Gramsci referred to as organic intellectuals In this sense then the series of studies gathered in Africana Critical Theory contribute not only to African Studies African American Studies Caribbean Studies Cultural Studies Gender Studies and Postcolonial Studies but also to contemporary critical theoretical discourse across an amazingly wide range of traditional disciplines and radical political activism outside of and in many instances absolutely against Europe s ivory towers and the absurdities of the American academe

C.L.R. James and the Study of Culture A. Smith, 2010-08-04 This book provides the first dedicated introduction to the cultural writings and analyses of the radical West Indian thinker C L R James It lays out James account of the way in which games books music and film become a part of the politics and history of popular struggles

Cricket, Literature and Culture Anthony Bateman, 2016-05-13 In his important contribution to the growing field of sports literature Anthony Bateman traces the relationship between literary representations of cricket and Anglo British national identity from 1850 to the mid 1980s Examining newspaper accounts instructional books fiction poetry and the work of editors anthologists and historians Bateman elaborates the ways in which a long tradition of literary discourse produced cricket s cultural status and meaning His critique of writing about cricket leads to the rediscovery of little known texts and the reinterpretation of well known works by authors as diverse as Neville Cardus James Joyce the Great War poets and C L R James Beginning with mid eighteenth century accounts of cricket that provide essential background Bateman examines the literary evolution of cricket writing against the backdrop of key historical moments such as the Great War the 1926 General Strike and the rise of Communism Several case studies show that cricket simultaneously asserted English ideals and created anxiety about imperialism while cricket s distinctively colonial aesthetic is highlighted through Bateman s examination of the discourse surrounding colonial cricket tours and cricketers like Prince Kumar Shri Ranjitsinhji of India and Sir Learie Constantine of Trinidad Featuring an extensive bibliography Bateman s book shows that while the discourse surrounding cricket was key to its status as a symbol of nation and empire the embodied practice of the sport served to destabilise its established cultural meaning in the colonial and postcolonial contexts

Connie Harry Pearson, 2017-08-17 Winner of the MCC Book of the Year Award His father was a first class cricketer his grandfather was a slave Born in rural Trinidad in 1901 Learie Constantine was the most dynamic all round cricketer of his age 1928 1939 when he played Test cricket for the West Indies and club cricket for Nelson Few who saw Constantine in action would ever forget the experience As well as the cricketing genius that led to Constantine being described as the most original cricketer of his time Connie illuminates the world that he grew up in a place where the memories of slavery were still fresh and where a peculiar almost obsessive devotion to Englishness created a society that was often more British than Britain itself Harry Pearson looks too at the

society Constantine came to in England which he would embrace as much as it embraced him the narrow working class world of the industrial North during a time of grave economic depression Connie reveals how a flamboyant showman from the West Indies actually dovetailed rather well in a place where local music hall stars such as George Formby Frank Randle and Gracie Fields were fêted as heroes and how Lancashire League cricket fitted into this world of popular entertainment Connie tells an uplifting story about sport and prejudice genius and human decency and the unlikely cultural exchange between two very different places the tropical island of Trinidad and the cloth manufacturing towns of northern England which shared the common language of cricket
