Ccna Cisco Guide 8 Edition:

Fundamental of Operating System Technology Hairi Alias, Saiful Azizi Abdullah, 2022-09-01 Operating systems have been evolving through the years. In the following sections we will briefly look at this development. Since operating systems history call have been closely tied to the architecture of the computers on which they run we will look at successive generations of computers to see what their operating systems were like. This mapping of operating system generations to computer generations is crude but it does provide some structure where there would otherwise be none
