Commercial Drivers License Pre-Trip Inspection Training Manual Robert C. Robinson, 2009 Most training manuals skip and bounce around the truck in a manner that s both confusing and disorganized This manual however systematically guides the trainee in a logical orderly method that works and makes sense From the start of the inspection to it s end the driver will never have to guess about where to go or what to inspect next This is accomplished by displaying the truck and trailer components in sections that are logically and numerically organized followed by a thorough discussion of the components following the same logical numerical order making the pre trip inspection far less intimidating and less confusing While most manuals barely mention the components to be inspected this manual discusses the components in great detail by first explaining their purpose and then by further explaining the multitude of problems that one could possibly find while inspecting a tractor and or trailer or straight truck Instead of black and white sketches that lack clarity and detail this manual includes color photographs of every component covered Never again will you have to wonder what a component really looks like nor will you have to embarrass yourself by asking someone Also included are a sample score sheet and an inspection checklist that can be used for practice while training This manual also contains several bonus pictures

compliments of the world champion extreme turbine race team Miss GEICO and AMF Offshore Racing More importantly this manual includes all the information needed to successfully pass the pre trip inspection exam on the first try and also serves as a good refresher to those who already have a commercial driver s license using an approach that has worked time and time again *CDL Study Guide 2022-2023* Michael Robinson,2021-11-22 Do you want to get your CDL to start a new profitable job but you re afraid THE EXAM IS TOO HARD Do you need Commercial Driver s License for your current job but DON T HAVE ENOUGH TIME TO STUDY Then keep reading this guide is what you are looking for CDL Study guide 2022 2023 is THE MOST UP TO DATE GUIDE with everything you need to know to get your commercial driver s license including NEW RULES TO GET YOUR A and B CLASSES that will come into force starting February 2022 The information you will find in this guide is not just detailed but also explained in an EASY TO REMEMBER WAY that will allow you to learn everything you need to know even if you have little time to study without getting lost in boring academic language The problem is not learning but that YOU ARE A BAD TEST TAKER The more time passes during the exam the more you FEEL THE PRESSURE RISE AND YOU CAN T GIVE YOUR BEST no matter how much you have studied No problem With the latest Test Taking Strategies tailored specifically on the structure of current tests in this comprehensive guide you ll not only learn WHAT to answer questions but also HOW That means you ll learn the hacks to get ahead and save time even if you don t know the answer improve your concentration don t let stress overwhelm you and make sure you PASS YOUR TEST ON THE VERY FIRST TRY Here s A Taste of What You ll Find in This Guide Hyper focused chapters to snipe the key information to pass the test at first sitting No back and forth no wasted time Straight to the point The REAL practice test questions with up to date answers to check if you got what you need to know from each chapter Easy to follow review chapters written with an eye toward both technical accuracy and accessibility covering the information needed to PASS THE EXAM FOR EACH CLASS AND ENDORSEMENT And Much More Studying for the Commercial Driver s License test is hard it s true And failing by wasting your precious time is frustrating But with the METHOD SPECIFICALLY TAILORED FOR RAPID LEARNING contained in this guide and the test taking strategies for making the most of your potential in stressful moments PASSING THE TEST on your very FIRST TRY WILL BE A NO BRAINER So what are you waiting for Scroll up CLICK THE BUY NOW BUTTON and START YOUR FAST TRACK TO GET YOUR CDL NOW
