

Celebrate Recovery Lesson 2: Powerless

A crucial part of recovery happens in **Celebrate Recovery Lesson 2 Powerless** because you learn that you are not alone on this journey toward recovery. Once you learn that you are not in control of everything, you can move forward on your road to recovery.

If you feel distant from God or lack the motivation to trust Him with your life, try **reading the Bible** more (listening to what God wants to tell you) and **praying** consistently (talking to God). This kind of communication is essential in making positive steps toward recovery.

Celebrate Recovery lesson two is a necessary lesson because it allows you to put your faith in the Lord – the key to ending worry, anxiety, and many of your fears!

As it corresponds with Step 1 from Alcoholics Anonymous and Celebrate Recovery, it also goes with Celebrate Recovery's principle 1.

[Read Celebrate Recovery Lesson 1](#) – Denial before reading this article so that you can do everything in order. Describe how you have stepped out of denial when you start this lesson.

To join in this lesson, you don't have to be a part of any group ahead of time. This is meant for **anyone** with hurts, habits, and hangups.

You don't need specific knowledge or experience to get started today! This is the second lesson, and you really don't even need the book. It's a smart idea to have a **pen and notepad** to write down your answers to the questions in this article and those found in the **free study guide** that goes with this lesson.

Get started on your road to recovery today to reap the many benefits of Celebrate Recovery!
