Hooks, 2011-03-07 Is it possible for one book to be the catalyst for a great spiritual awakening in the United States It only took one stone from Davids sling to defeat the giant that held the armies of God at bay for 40 days A rout ensued The key is to hit the mark with one solid shot The Message of Pain is a spot on heart discussion about today's American experience and what God is doing right now in our midst Broken dreams hopes and lives are all around us Too many find themselves reeling in pain for years from the damages of a poor choice the cruelty of another Evil or simply an accident The Message of Pain explains how a person can become trapped in the Pain Cycle to live a life where the giant of pain is the rule Satan uses pain to convince us of a lie about God Believing a lie about God gets you started in a cycle of pain The Message of Pain helps you find your way out or understand a friend in the cycle of self destruction so you can be ready to help them out **Why I Am an Independent Conservative** Karen Jourden, 2012-02-15 Liberty is never free it comes at a cost Throughout the history of the United States our freedom has been safeguarded through immense sacrifice But without the truth and knowledge of the past this liberty can be threatened Bringing to light some of the key incidents of American history author Karen Jourden seeks to safeguard liberty by remembering the past in *Why I Am an Independent Conservative* She delves into early American history the writing of the US Constitution the American Civil War and Franklin D Roosevelt's massive government expansion during the Great Depression Urging all Americans to do their research Jourden offers her straightforward unvarnished opinion on the state of America today She tackles tough subjects including threats to our freedom of speech the rise of the ACLU liberalism environmental activism and much more Keeping America free requires hard work dedication and above all vigilance This treatise seeks to light the path for concerned Americans to take a stand urging them to protect liberty and justice for all Live Free Or Die Sean Hannity, 2020-08-04 1 NEW YORK TIMES BESTSELLER America's top rated cable news host offers his first book in over ten years a look at America's fight against those who would reverse our tradition of freedom America is great for a reason Built on principles of freedom rugged individualism and self sufficiency no country has ever accumulated more power and wealth abused it less or used that power more to advance the human condition And yet as America blossomed leftwing radicalism and resentment festered beneath the surface threatening to undermine democracy in the form of social justice warriors the deep state and compromised institutions like academia and the mainstream media With the Democratic victory in 2020 we are now at risk for a big step
