Celibacy, Prayer, and Friendship Christopher Kiesling, 1978 A guide to understanding the vowed state of celibacy

Rethinking Celibacy, Reclaiming the Church Michael H. Crosby, 2003-07-02 In this courageous work Michael Crosby offers a trenchant analysis of mandatory celibacy in the Roman Catholic Church He shows how the imposition of celibacy has now revealed a deeper issue the abuse of power as well as the abuse of women and homosexuals in the Church Crosby asserts that to argue that the present discipline of mandatory celibacy is based on the New Testament is a misuse of scripture imposed celibacy continues to be used as a means of maintaining clerical control through fear and intimidation a religious system demanding celibacy exposes a deeper control the abuse of power endemic throughout the system while difficult to live out even when freely chosen enforced celibacy can result in dysfunctional behaviors at all levels Integrating his personal experience as a celibate and cleric with biblical exegesis historical study and the behavioral sciences Crosby believes that healthy celibacy demands intimacy with God and others a healthy church will reorder its current power dynamics in a way that mitigates sexual abuse this will once again reveal Roman Catholicism to be a religion with an inspiring model of evangelical life and witness This updated revision of Crosby's award winning *Celibacy Means of Control or Mandate of the Heart* also addresses the abuse of power in the Catholic Church by those male clerical celibates who control it He convincingly points the way to a Church that will be with all its ministers healthier and holier

A Feast for Hungry Souls Susan Muto, 2020-05-29 Winner of a first place award in spirituality from the Catholic Media Association Renowned scholar Susan Muto presents her spiritual legacy with a rich introduction to thirty Christian masters These voices from the ancient medieval and modern Church have been the focus of Muto's work for more than forty years and the trusted guides of her own spiritual life Masters such as Benedict of Nursia Clare of Assisi Thomas Merton and Teresa of Avila will help answer your most pressing spiritual questions and satisfy the deepest cravings of your heart From the simplicity and solitude of the desert mystics and other ancient masters to the practicality and prayerfulness of medieval saints such as Julian of Norwich and Catherine of Siena to the relatable sensibilities of modern masters such as Evelyn Underhill and Thomas Merton Susan Muto executive director of the Epiphany Association and dean of the Epiphany Academy of Formative Spirituality draws deeply from the well of the Christian spiritual tradition to address some of our most pressing spiritual hungers The Desert Fathers teach us how to hear God above the noise of everyday life Augustine of Hippo acknowledges the restlessness that precedes spiritual growth Julian of Norwich reflects on the universality and purpose of suffering Jean Pierre de Caussade explores what it means to have a heart fully surrendered to God Thérèse of Lisieux shares her little way of spiritual childhood In each chapter Muto introduces a spiritual master who she finds helpful in meeting a particular condition or challenge commonly faced in the Christian life and places that master within the historical and spiritual contexts of their time Muto then introduces a classic work associated with that master identifying key themes or principles to apply to your own life Each

chapter concludes with reflection questions to ponder individually or discuss in a group setting Rich yet accessible this book will fortify your soul with time tested spiritual insight and practical wisdom so you can enter more deeply into the mystery of spiritual union with God Friendship as Sacrament Carmen L.
