contracts or to this casebook **Contracts** Edward Allan Farnsworth, 2008-01-01 Tracing the development of contract law in the English and American common law traditions this casebook features authoritative discussion and notes and focuses on significant cases It also provides opportunities for teachers to put before students the ethical responsibilities of attorneys and the consequences of neglecting such responsibilities Highlights of the seventh edition include revised selections with more restatement material and a special section providing leading cases updating with new cases more sophisticated but still accessible material on the economics of contract law and a revised introduction to provide for smoother transition into materials on damages Publisher's website *Rogers and Young's the Law of Contracts: Cases and Materials - CasebookPlus* JAMES S. ROGERS, Katharine G. Young, 2018-12-12 This book is designed for use in a single semester less than six credit hours contracts course Drawing on the best features of the case method it departs from the standard reference oriented texts in order to provide concise coherent and teaching oriented materials with a focus on principal cases questions and notes The goal of the book is to introduce the deep seated topics of concern to the law of contracts with selective brevity in choosing readings in classic and contemporary cases and UCC and restatement sources interesting hypotheticals and theoretical and practical reflections This book also updates the conventional presentation of the subject by providing a more substantive treatment of the law of restitution and of relevant international and comparative materials The Law of Contracts James Steven Rogers, Katharine G. Young, 2017 Hardbound New hardbound print book Cases and Materials on Contracts Edward Allan Farnsworth, William Franklin Young, 1988 **Contract Law and Its Application** Daniel J. Bussel, 2006-01-01
Contract Law and Its Application Daniel J. Bussel, Arthur Irwin Rosett, 2011 This is a thoroughly modern casebook in the tradition of earlier editions of comparable length and similar in structure and approach The Eighth Edition offers basic contract law in relatively brief free standing units that may be presented in various sequences as the instructor prefers It focuses on contract interpretation as a primary means to resolve a wide range of doctrinal and practical contract problems It highlights the expanding use of arbitration clauses in commercial and consumer contracts and raises countervailing concerns about that expansion through California's recent unconscionability jurisprudence focusing on overreaching arbitration provisions The Eighth Edition updates statutory materials and notes provides comparative law materials indicating alternative approaches to common problems in other legal systems **Cases and Materials on Contracts and Contract Remedies** John Philip Dawson, William Burnett Harvey, 1959 Cases and Materials on Contracts Ian R. Macneil, 1971
