Complete each "Fast Family House" by doing the following:

- In the space provided above the roof of each house, write an addition fact with a sum of less than 20 (use different numbers for each house).
- For each house, write the three numbers you used for your fact on the lines inside the roof.
- Use the three numbers to write four more facts in the house. You will rewrite the fact above the roof inside the house also.
- Finally, write a fact inside the house and write a short word problem representing that fact in the space provided.
