A Taste of South Africa with the Kosher Butcher's Wife Sharon Lurie, 2019-06-01 After highly successful outings with her first two books Sharon Lurie aka the Kosher Butcher's Wife decided that it was time to make it official and combine the influences of her culinary heritage as both a kosher cook and a proud South African As she says South African cuisine is as deliciously diverse as its inhabitants from the many indigenous peoples to the waves of immigrants and settlers who have made the southern part of Africa their home In A Taste of South Africa with the Kosher Butcher's Wife Sharon Lurie takes you on an adventure through South Africa's diverse and iconic dishes but with traditional Jewish culinary twists The mouth watering recipes often include non dairy options And don't think because Sharon is the Kosher Butcher's Wife that she only thinks about meat dishes there are ideas from starters to sweets with everything in between An in her inimitable style Sharon will keep you laughing along the way

Anatomy of Torture Ron E. Hassner, 2022-04-15 Does torture work Can controversial techniques such as waterboarding extract crucial and reliable intelligence Since 9 11 this question has been angrily debated in the halls of power and the court of public opinion In Anatomy of Torture Ron E Hassner mines the archives of the Spanish Inquisition to propose an answer that will frustrate and infuriate both sides of the divide The Inquisition's scribes recorded every torment every scream and every confession in the torture chamber Their transcripts reveal that Inquisitors used torture deliberately and meticulously unlike the rash improvised methods used by the United States after 9 11 In their relentless pursuit of underground Jewish communities in Spain and Mexico the Inquisition tortured in cold blood But they treated any information extracted with caution torture was

used to test information provided through other means not to uncover startling new evidence Hassner's findings in *Anatomy of Torture* have important implications for ongoing torture debates Rather than insist that torture is ineffective torture critics should focus their attention on the morality of torture If torture is evil its efficacy is irrelevant At the same time torture defenders cannot advocate for torture as a counterterrorist quick fix torture has never located nor will ever locate the hypothetical ticking bomb that is frequently invoked to justify brutality in the name of security **Religion, regulation,**
