Democratizing Leadership Mike Klein, 2015-12-02 Democratizing Leadership promotes leadership that counters domination and fosters collaboration through democratic decision making and collective action It includes three case studies First Bank System Visual Art Program In the Heart of the Beast Theater s May Day Ritual and The Minnesota Alliance of Peacemakers Democratizing Leadership Mike Klein, 2015-12-01 Democratizing Leadership Counter hegemonic

Democracy in Organizations Institutions and Communities promotes leadership in the democratization of culture to counter the current hegemony of domination and cultivate an alternative hegemony of collaboration It is premised on a leadership framework for decision making rooted in democratic voice and leading to collective action This broad peacebuilding prescription for individual and collective agency accounts for the constructive role of conflict in democratic pluralism and the need to develop practices and structures that prevent violent conflict in order to advance positive peace This theory addresses the contexts of deliberative agonistic and revolutionary democratic frameworks Democratizing Leadership is informed by three qualitative case studies described in rich detail First Bank System Visual Art Program In the Heart of the Beast Theater s May Day Ritual and The Minnesota Alliance of Peacemakers exemplify the practice of democratizing leadership These diverse settings include corporate banking during 1980 s deregulation an annual community May Day parade and an informal alliance of peacemaking organizations Leadership in each case promotes authentic voice encourages decision making with integrity and advocates for responsible collective action *Peace, Reconciliation and Social Justice Leadership in the 21st Century* H. Eric Schockman, Vanessa Hernández, Aldo Boitano, 2019-09-23 Bringing together leading scholars and practitioners from the worlds of leadership followership transitional justice and international law this research provides a blueprint of how people led bottom up grassroots efforts can foster reconciliation and a more peaceful world

Alternative Theories of the Firm Michael Pirson, David M. Wasieleski, Erica L. Steckler, 2021-12-28 The Theory of the Firm is commonly viewed as axiomatic by business school academicians Considerations in spanning organizational structures their boundaries and roles as well as business strategies all relate to the Theory of the Firm The dominant Theory of the Firm poses that markets act perfectly to maximize the well being of society when people act to maximize the personal utility of their individual purchases and firms act to maximize financial returns to their owners However burgeoning evidence and discourse across the scientific and policy communities suggests that the economic social and environmental consequences of accepting and applying this theory in the organization of business and society threaten the survival of the human species among countless others This book provides the latest thinking on alternatives to the Theory of the Firm as cornerstone of managerial decision making Authors explore and elucidate theories that help us understand a firm differently and suggest alternatives to the Theory of the Firm This book will be of value to researchers academics practitioners and students interested in leadership strategic management and the intersection of corporate interests and the well being of the society
