WOLDU, 2009-01-08 In studying the realm of demons we desperately need knowledge of the Word of God This is due to the fact that we ought to treat the subject in a spiritually balanced way Unbalanced teaching will be in danger of falling to one of the two extremes it will either ignore demons or attach everything to demons A born again Christian drives out demons they don t enter him her Thus we Christians should lead a life of holiness love and humility and grow in God s Word and Spirit As a result we should go from faith to faith from power to power and from glory to ever increasing glory Although demons don t enter born again Christians the devil will fight against Christians through his flaming arrows We should take up and put on the full armor of God in order to tackle the enemy s fiery darts

The Works of the Enemy(Satan and His Demonic Forces) Robert Antwi,2015-03-12 Satan and his forces are waging a war against humanity but the sad thing is many Christians are not aware of the extent of this warfare This a spiritual warfare and the Bible teaches a lot about the works of the enemy and the spiritual warfare so I decided to write on this topic to bring light to what Satan and his forces are doing in this world The works of the enemy what Satan and his demonic forces are doing are well outlined in this book and I have backed every work of the enemy with the Word of God Satan and his forces are working twenty four hours a day seven days a week four weeks a month and twelve months a year They work all the year without any vacation The major work of the enemy is to get Christians to sin against God and to diminish their faith in God In the world Satan is using money sex and power to keep many people from knowing God through his Son Jesus Christ Money is the root of all evil so many evil and untold hardship come to fruitful in the name of money Satan and his forces are working in all the four corners around the world to keep people away from knowing God One may be praying on a topic for a long time without any answer then the enemy will tell you that your God cannot answer your prayers and if you listen to the enemy then your faith in God will diminish Whatever God hates is what Satan loves for example God says I hate divorce and Satan will say I love divorce Satan may keep you not only in poverty but in debt Satan may take away your health which may come along with sadness and depression Satan is crafty and cunning so we may only attack him in the name which is above any other name in heaven or on earth or under the earth which is Jesus Christ As you read on you are going to see how the enemy is fighting the spiritual warfare with his demonic forces The Bible tells us how Christians will be able to wage this spiritual warfare against Satan and his forces Looking at Ephesians 6 1217 For we wrestle not against flesh and blood but against principalities against powers against the rulers of the darkness of this world against spiritual wickedness in high places Wherefore take unto you the whole armour of God that ye may be able to withstand in the evil day and having done all to stand Stand therefore having your loins girt about with truth and having on the breastplate of righteousness And your feet shod with the preparation of the gospel of peace And above all taking the shield of faith wherewith ye shall be able to quench all the fiery darts of the wicked And take the helmet of salvation and the sword of the Spirit which is the word of God Christians are to put on the armor of truth righteousness the gospel of peace faith helmet of salvation and the Word of God in order to wage the spiritual warfare against Satan and his forces This will be more explained as you read on It is my prayer that you will be able to know more about the works of the enemy and be able to pray effectively to destroy the works of the enemy in your life and the world around you S. Problem of Evil and the Power of God Atle Ottesen Søvik,2011-05-23 The problem of evil can be defined theoretically as the apparent inconsistency between on the one hand belief in the existence of a perfectly good and omnipotent God and on the other hand the existence of evil This book discusses four different solutions to this problem provided by Richard Swinburne Keith Ward David Griffin and Johan Hygen with the goal of finding the most coherent solution The author makes several suggestions for improvement and concludes that there is a coherent answer to the problem of evil While the focus is on Christian approaches to the problem many of the approaches and solutions are applicable to other religions as well
