instead spends nearly his every waking moment in the casino displaying a previously unseen love of gambling This surprise and the time she spends with Nicholas and with Austin makes her question everything she thought she wanted Her relationship with Owen was just fine before but suddenly just fine doesn't seem good enough to keep a marriage alive for a lifetime Melissa has two weeks to decide stay with Owen or jump ship

**Tales from a Dog Catcher** Lisa Duffy-Korpics,2009-04-01 The Cold War had recently drawn to a close and Lisa Duffy Korpics's career as a dogcatcher would soon be history too but for very different reasons and indeed with infinitely more pleasant memories In Tales from a Dog Catcher she brings together these experiences in a magical book that is funny touching and heartrending by turns Set in a small Hudson River town north of New York City this book comprises twenty two real life stories about people and their experiences with animals stories that both entertain and charm and feature all creatures great and small from plenty of dogs and cats and peeping Tom raccoons to a duck and a turkey and an imagined mountain lion Animal lovers of all kinds can read how A decades long feud between two longtime enemies who

use each other's dogs to hurt each other culminates in a dramatic courtroom battle where they unwittingly end up helping each other. A call on an elderly woman to surrender twenty-three cats provokes a surprising revelation. A language and culture barrier yields a situation where a woman ends up watering her cats like plants. All ends well save for some damp kittens but the laughter continues for miles. The police chief forces the animal control officer (ACO) into a presentation at the local high school for students with behavioral problems. After a few awkward moments the ACO finds herself at ease. Drawn to these engaging teenagers she realizes that sometimes what you are meant to do in life is not always something that you choose. Sometimes it chooses you. In the tradition of James Herriot's *All Creatures Great and Small* and John Grogan's *Marley Me*, Lisa Duffy Korpics's *Tales from a Dog Catcher* is an unforgettable look at the lives of everyday people and animals who, whether by accident or design, come into contact with the sad, comical, and often profound world of an animal control officer.
