Condom Nation Condom Nation:

Condom nation : the U.S. government's sex education campaign from World War I to the Internet Alexandra M. Lord, 2009 This history of the U S Public Health Service s efforts to educate Americans about sex makes clear why federally funded sex education has been haphazard ad hoc and often ineffectual Since launching its first sex ed program during World War I the Public Health Service has dominated federal sex education efforts Alexandra M Lord draws on medical research news reports the expansive records of the Public Health Service and interviews with former surgeons general to examine these efforts from early initiatives through the administration of George W Bush Giving equal voice to many groups in America middle class working class black white urban rural Christian and non Christian scientist and theologian Lord explores how federal officials struggled to create sex education programs that balanced cultural and public health concerns She details how the Public Health Service left an indelible mark on federally and privately funded sex education programs through partnerships and initiatives with community organizations public schools foundations corporations and religious groups In the process Lord explains how tensions among these organizations and local state and federal officials often exacerbated existing controversies about sexual behavior She also discusses why the Public Health Service s promotional tactics sometimes inadvertently fueled public fears about the federal government s goals in promoting or not promoting sex education This thoroughly documented and compelling history of the U S Public Health Service s involvement in sex education provides new insights into one of the most contested subjects in America **Condom Nation** Alexandra M. Lord, 2010-01-01 An award winning history of the U S Public Health Service s haphazard efforts to educate Americans about sex for more than a century Since launching its first sex ed program during World War I the Public Health Service has dominated federal sex education efforts Alexandra M Lord draws on medical research news reports the expansive records of the Public Health Service and interviews with former surgeons general to examine these efforts from early initiatives through the administration of George W Bush Giving equal voice to many groups in America middle class working class black white urban rural Christian and non Christian scientist and theologian Lord explores how federal officials struggled to create sex education programs that balanced cultural and public health concerns She details how the Public Health Service left an indelible mark on federally and privately funded sex education programs through partnerships and initiatives with community organizations public schools foundations corporations and religious groups With engaging and insightful analysis Lord explains how tensions among these organizations exacerbated existing controversies about sexual behavior She also discusses why the Public Health Service s promotional tactics sometimes fueled public fears about the federal government s goals in promoting or not promoting sex education Award for the Public Understanding of Science 2010 British Medical Association s Board of Science First Prize Popular Medicine British Medical Association 2010 Book Awards **Condom Nation** Richard A. Panzer, 1997 Condom Nation uncovers the contradictions contained in many AIDS Prevention programs

used in U S schools and asks Is Sex Ed based on sound science or on blind assumptions Condom Nation describes a world of latex solutions in which fact has been replaced by slogans and careful evaluation by unquestioned dogma A disturbing thoughtful book every parent should read A fascinating book which catalogs the failures of sex education in the schools Suzanne Fields syndicated columnist Examines the failure of the present politically correct attitudes toward sexual activity uses concepts from evolutionary psychology to buttress its moral stand clear easy to understand Choice American Library Association **Righteous Rebels** Patrick Range McDonald,2016-10-17 In this thought provoking portrait of AIDS Healthcare Foundation the world s largest HIV AIDS medical care provider award winning journalist Patrick Range McDonald reveals the nonprofit s unlikely rise from a feisty grassroots organization during the 1980s AIDS crisis in Los Angeles to its position today as an aggressive global leader in the ongoing fight to control HIV and AIDS This riveting story highlights the motivations behind AHF s life saving efforts its battles against and alliances with governments and various political establishments and its work today to provide free HIV treatment and prevention services to vulnerable lower income people in more than thirty countries With unrestricted insider access McDonald follows AHF for a year as it clashes with the Obama administration the state of Nevada and the World Health Organization He interviews AHF s key players including firebrand president Michael Weinstein and he travels to AHF outposts around the globe from Miami to Uganda Cambodia to Russia Estonia to South Africa Along the way McDonald discovers that AHF is a passionate smart and tenacious people power organization that brings hope and change to nearly all corners of the world Beyond its work as a highly effective global AIDS organization the AHF story also provides a blueprint for every kind of righteous rebel who wants to make the world a better place **MTV and Teen Pregnancy** Letizia Guglielmo,2013-05-30 In 2009 16 and Pregnant premiered on MTV closely followed by the spinoffs Teen Mom and Teen Mom 2 Because of their controversial portrayals of teenage mothers the shows have received ongoing media attention While some argue that the programs could play a factor in reducing the number of teen pregnancies others claim the shows exploit young women and glamorize their situations Among these debates there have been surprisingly few in depth discourses that discuss the roles such shows have on teenage audiences In MTV and Teen Pregnancy Critical Essays on 16 and Pregnant and Teen Mom contributors from a variety of backgrounds and expertise offer potent essays about these programs Divided into four parts the book tackles the controversial representations of teen pregnancy from various disciplines Part I explores gendered social norms and the shows roles as either educational resources or idealized depictions of teenage motherhood Part II prompts readers to consider the intersections of race class gender and the social and cultural power structures often glossed over in these programs Part III focuses on teenage fathers the portrayal of masculinity and good vs bad parents Part IV draws from TVs representations of reality to discuss the impact of these shows on the viewing audience This section includes a narrative from a teen mother who argues that the shows do not accurately reflect the life she leads As the debates about 16 and Pregnant and Teen Mom continue this collection

provides a valuable critical discourse to be used both inside and outside the classroom Those engaged in courses on gender and women s studies as well as media studies social work and family and childhood development will find MTV and Teen Pregnancy especially insightful as will those involved in community outreach programs not to mention teens and young mothers themselves

The 1st Clean Sex Quote and Joke Book Allen Unruh,2004 Since 1970 this chiropractic physician has been writing and collecting these one liner jokes and quotes to dispel tension and brighten up the day of everyone he meets

Sex, Science and Morality in China Joanna McMillan,2014-07-30 After decades of near silence on the matter sex is being talked about in China But what is being said Who is allowed to speak And whose purposes are being served This ground breaking book takes a critical look at how sex in China is thought and talked about Drawing on the work of the country s foremost sex experts and years of research in the field it gives an overview of the sexual landscape in China today Including new material on transsexuals fetishism sex aids and pornography the book shows that the dominant ways of thinking about sex are neither innocent nor inconsequential and that amid catalogues of prescriptions linking self management to the collective good people are making decisions about how to live their sexual lives The most lively and accessible critique of sexual discourse this book will be essential reading for scholars in Chinese studies cultural studies and sexuality and gender studies

Touchy Subject Lauren Bialystok,Lisa M.F. Andersen,2022-12-23 A case for sex education that puts it in historical and philosophical context In the United States sex education is more than just an uncomfortable rite of passage it s a political hobby horse that is increasingly out of touch with young people s needs In *Touchy Subject* philosopher Lauren Bialystok and historian Lisa M F Andersen unpack debates over sex education explaining why it s worth fighting for what points of consensus we can build upon and what sort of sex education schools should pursue in the future Andersen surveys the history of school based sex education in the United States describing the key question driving reform in each era In turn Bialystok analyzes the controversies over sex education to make sense of the arguments and offer advice about how to make educational choices today Together Bialystok and Andersen argue for a novel framework Democratic Humanistic Sexuality Education which exceeds the current conception of comprehensive sex education while making room for contextual variation More than giving an honest run down of the birds and the bees sex education should respond to the features of young people s evolving worlds especially the digital world and the inequities that put some students at much higher risk of sexual harm than others Throughout the book the authors show how sex education has progressed and how the very concept of progress remains contestable

Christian Punk Ibrahim Abraham,2020-01-23 Christian punk is a surprisingly successful musical subculture and a fascinating expression of American evangelicalism Situating Christian punk within the modern history of Christianity and the rapidly changing culture of spirituality and secularity this book illustrates how Christian punk continues punk s autonomous and oppositional creative practices but from within a typically traditional evangelical morality Analyzing straight edge Christian abstinence and punk friendly churches this book also focuses on

gender performance within a subculture dominated by young men in a time of contested gender roles and ideologies Critically minded and rich in ethnographic data and insider perspectives Christian Punk will engage scholars of contemporary evangelicalism religion and popular music and punk and all its related subcultures **The Axis of Madness** Roger Jackstone, 2019-02-01 The book is not like anything that's ever been written Hopefully it's not too disturbing that it drives those who need to read it away Its subject is sex and abortion which have become politically divisive since Roe and the Right and Left fighting over the solution to problems caused by sexual repression are portrayed as wings of the beast working together like the ratchet and cogs of a medieval rack Also the thread is compressed it covers a wide range of topics and branches from the story line to make points in many places The book's intention is to warn people the path the elite have us on leads to disaster It does it in four parts the first establishes the framework and the others are a dream sequence by the central character Thomas Warden an attorney who prosecutes sex criminals and has political ambitions In the beginning his intentions are pure The evil he fights against is real and it needs to be stopped but he like most people doesn't realize that Satan has found a way into the world that Satan is smarter than him and that he's being used

FAQs About Condom Nation Condom Nation Books

What is a Condom Nation Condom Nation PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to

view or print it. **How do I create a Condom Nation Condom Nation PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Condom Nation Condom Nation PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Condom Nation Condom Nation PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Condom Nation Condom Nation PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
