

The background of the book cover is a photograph of a sunset over the ocean. The sky is a mix of orange, yellow, and blue, with the sun low on the horizon. In the foreground, a wooden pier with railings extends from the bottom left towards the center, and another pier extends from the bottom right towards the center. The water is dark and reflects the colors of the sky.

René Holvast

Confronting Powerless Christianity Evangelicals And The Missing Dimension:

Confronting Powerless Christianity Charles H. Kraft, 2002-10-01 The only kind of Christianity in the New Testament is Christianity with power If you are skeptical about yet intrigued by the issue of spiritual power for today Charles Kraft provides a biblical reasonable apologetic for a realm too often overlooked He describes his own paradigm shift concerning the power of Jesus to heal and free others and explains persuasively why every Christian should be confronted with this missing dimension Confronting Powerless Christianity will inspire a more robust faith that is powerful enough to heal to free people from emotional wounds and to bring about real life change

The Evangelical's Guide to Spiritual Warfare Charles H. Kraft, 2015-02-10 Are you aware of the spiritual battle being waged around you today The truth is that although spiritual warfare is a major theme in the Bible many of us gloss over it or ignore it completely But 80 percent of the synoptic gospels addresses the battle with evil spirits and Jesus and His disciples set a clear example for believers We cannot afford to practice a powerless Christianity in a fallen world In this essential accessible resource former evangelical seminary professor and missionary Charles Kraft helps you find your footing in the spiritual battle Based on a solid biblical foundation and on decades of ministry experience this book will help you Differentiate between myths and truths about spiritual warfare Recognize the everyday battles taking place around you Learn what demons really are and what they actually do Understand the rules for engaging the enemy Achieve victory in daily battles with the help of the Holy Spirit Don't let fear keep you from engaging the spiritual forces at work around you Some problems can't be overcome in any other way This book is a must read for anyone looking to engage in spiritual warfare Larry Richards author of The Full Armor of God Dr Kraft has removed the veil of mystery that has surrounded deliverance ministry for far too long With truth and honesty he has opened the door to the evangelical community and given us the tools to set the captives free Tim Howard president and founder Wellsprings of Freedom International For more than thirty years now Dr Charles Kraft has been studying and writing about spiritual warfare In this latest book Dr Kraft summarizes his findings and shares from his years of experience his approach to inner healing and deliverance ministries This book needs to be read by every student studying spiritual formation by every missiologist engaged in missionary activities and by every pastor and church worker committed to making healthy disciples of the Lord Jesus Christ Douglas Hayward department chair Graduate Intercultural Studies Cook School of Intercultural Studies Biola University Personally awakened to the spiritual nature of our Christian faith Charles Kraft calls us to wake up as well This book is a must read for any who seek to understand God's work in the world today from the vantage point of an evangelical who daily engages in spiritual warfare Scott Moreau professor of intercultural studies Wheaton College Graduate School Most Christians are blind to the spiritual realities around us This book pulls back the veil into the unseen world where there is a battle This book will quickly become a classic Charles is steeped in wisdom in the area of spiritual warfare and has dedicated his life to bringing restoration to the church Judith MacNutt M A president and co founder Christian Healing

Ministries Charles Kraft has taken a topic that is still controversial among some in the body of Christ spiritual warfare and boiled it down to something we can all agree on There is an enemy countering expressions of God s love in the lives of believers and lost souls alike that we must combat Jennifer LeClaire senior editor at Charisma magazine and director of Awakening House of Prayer in Fort Lauderdale Again Chuck Kraft has reminded us that we are at war with a cruel enemy This guide to the warfare reflects Dr Kraft s passion for God s people to experience the full measure of the Father s love His writing is grace filled balanced thoughtful and practical John Shultz Ph D president Ashland Theological Seminary

Christianity and Suffering Rodney L. Reed, 2017-12-14 We often hear these days that the centre of Christianity is moving toward the Global South and Africa is a key player in that movement This makes the study of African Christianity and African realities important even more so when it is being done by Africans themselves in their own context The Africa Society of Evangelical Theology ASET was created to encourage research and sustained theological reflection on key issues facing Africa by and for African Christians and those working within African contexts The volumes in the ASET series constitute the best papers presented at the annual conferences of ASET and together they seek to fill this important gap in the literature of Christianity Africa is all too familiar with suffering Yet there is a dearth of sustained theological reflection on suffering by Africans or for Africans Christianity and Suffering African Perspectives addresses this need and is the fruit of the 5th Annual Conference of the Africa Society of Evangelical Theology The contributions address age old issues like why God does not prevent or relieve human suffering they wrestle with causes of suffering including witchcraft poverty curses and war and they also explore appropriate Christian responses to suffering all from within the African context The Africa Society of Evangelical Theology ASET is a professional society founded in 2009 for the purpose of fostering evangelical theological scholarship and to facilitate collegial relationships among scholars and practitioners of the Christian religion in Africa Its core values are 1 Faithfulness to the Bible 2 Professional ethics 3 Creative and critical thinking 4 Christ like humility 5 Community of scholars encouraging respecting and learning from one another and 6 Development and inspiration of young scholars To learn more about ASET please visit its Facebook page [facebook.com AfricaSocietyOfEvangelicalTheology](https://www.facebook.com/AfricaSocietyOfEvangelicalTheology) *Ice On Fire* Scott Kelso, **Jesus, Deliver Us** Willard M. Swartley, 2019 Deliver us from the evil one is the heart s cry from the Lord s Prayer Evil wears many faces in our modern world This book connects the Lord s Prayer to troubles of our times be it attacks from Satan the wars around the world the scourge of racism or the mass shootings of our time The subtitle of the book identifies the scope This book blends both deliverance from demonic bondage and witness to the powers in relation to political policies and government While the book aims to be a biblical theology on these topics it seeks also to address the praxis how these evils are confronted through healing deliverance ministries and what people of God say and do in witness to the powers The two streams of response to evil are really one as a faithful response to the saving work of the Lord God Almighty through Jesus Christ s victory over Satan sin evil and death Love your enemy confronts evil with power to transform

Traditional Ritual as Christian Worship Burrows, William R., Shaw, R. Daniel, 2018-03-27 A necessary task of missionaries in recent decades has been to help local Christians inculturate or contextualize their faith although the criteria for doing so often came from outside the context in which new believers developed their understanding of Christianity Highlighting the voices of non Western scholars this work recognizes the importance of ritual and ceremony in the life of communities that seek to worship God in ways that reflect culturally appropriate responses to Scripture The contributors some of missiology s leading lights discuss rituals beliefs and practices of diverse peoples supporting the conclusion that orthodox Christianity is hybrid Christianity

Islam and the Bible Ayman S. Ibrahim, Ant Greenham, 2023-12-01 In *Islam and the Bible* editors Ayman S Ibrahim and Ant B Greenham invite leading voices representing a spectrum of approaches to explore the issues surrounding Muslim Idiom Translations of the Bible

Spiritual Mapping in the United States and Argentina René Holvast, 2009 Referring to U S Evangelicalism and Neo Pentecostalism this book presents a comprehensive historical description of the movement and concept of Spiritual Mapping with special attention to theological and anthropological concepts The result is a facinating picture of modern Christian Americanism

Appropriate Christianity Charles H. Kraft, 2005 Appropriate Christianity consists of 28 chapters by 18 authors approaching contextualization in three dimensions truth allegiance and spiritual power Over the years there have been quite a number of helpful discussions of the contextualization of theological truth Though we have been helped greatly by them it is high time we began to deal also with allegiance and spiritual power two additional dimensions that Jesus considered of great importance Any adequate and appropriate treatment of the contextualization of biblical Christianity needs to deal with all three of these 2 crucial dimensions 3 For allegiance to Christ is the basis for all we do that makes us Christian and Jesus was very much into spiritual power If we are to be truly biblical we must deal also with these areas

Missiological Hermeneutics Shawn B. Redford, 2012-10-18 How have those engaged in the mission of God been challenged to reinterpret Scripture through their experience In what ways were the missionaries in the Bible challenged to reevaluate Scripture in their own time Redford attempts to give shape to the nature of missional hermeneutics by examining Scripture present day cultural values historical struggles and the experience of those who are engaged in the mission of God In order for missionaries to overcome the scientific polarization in Western hermeneutics they must be able to perceive and learn from the overarching missional and spiritual hermeneutics found throughout Scripture so that they can balance missional spiritual historical critical and even unforeseen hermeneutical paths providing increased confidence in biblical interpretation
