The Fugitives Christopher Sorrentino, 2016-02-09 A mischievously funny keenly incisive and mind bending outlaw tale Booklist starred review about love and obsession loyalty and betrayal race and identity and compulsion and free will Writer Sandy Mulligan is in trouble To escape his turbulent private life and the scandal that's maimed his public reputation he's retreated from Brooklyn to a quiet Michigan town to finish his long overdue novel There he becomes fascinated by John Salteau a native

Ojibway storyteller who regularly appears at the local library But Salteau is not what he appears to be a fact suspected by Kat Danhoff an ambitious Chicago reporter who arrives to investigate a theft from a local Indian run casino Salteau s possible role in the crime could be the key to the biggest story of her stalled career Bored emotionally careless and sexually reckless Kat s sudden appearance in town immediately attracts a restive Sandy All three are fugitives of one kind or another And in their growing involvement each becomes a pawn in the others games all of them just one mistake from losing everything Moving funny tense and mysterious *The Fugitives* is at once a love story a ghost story and a crime thriller It is also a cautionary tale of twenty first century American life a meditation on the meaning of identity on the role storytelling plays in our understanding of ourselves and each other and on the difficulty of making genuine connections in a world that s connected in almost every way Exuberantly satirical darkly enigmatic and completely unforgettable *The Fugitives* is an entirely new kind of novel with exceptional interior monologues animated by deception double dealing and a doomed affair that lends an air of existential dread to the story Los Angeles Times
