Facebook and MySpace setting up pay per click campaigns and much more **Accidental Branding** David

Vinjamuri,2008-03-31 Every year thousands of new business are started by people with no knowledge of modern marketing at all and some of them survive and thrive Accidental Branding tells the story of seven accidental brands and how their founders beat bigger competitors by breaking the standard rules of marketing Successful brands like Burt s Bees J Peterman and Clif Bar reveal how doing things differently can lead to big time success If you re an entrepreneur or a marketer this guide will show you how to build stronger brands Organized Retail Crime (ORC) Eileen R. Larence,2011 Each year organized groups of professional shoplifters steal or fraudulently obtain billions of dollars in merchandise to resell in an activity known as ORC These stolen goods can also be sold on online marketplaces a practice known as e fencing This report assessed ORC and e fencing It addresses 1 types of efforts that select retailers state and local law enforcement and federal agencies are undertaking to combat ORC 2 the extent to which tools or mechanisms exist to facilitate collaboration and info sharing among these ORC stakeholders and 3 steps that online marketplaces have taken to combat ORC and e fencing and additional actions retailers and law enforcement think may enhance these efforts Illus This is a print on demand report

Somebody's Daughter Julian Sher,2011 Shocking and gritty this collection contains firsthand accounts of terror and abuse from prostituted children and the law enforcement officers and community activists working to save them While detailing the necessity for substantive legal and cultural change on the national level in regard to prostitution pimps and children s rights this book also provides encouraging stories of new pioneering law enforcement initiatives and child recovery strategies reaping positive results in urban areas inundated with children victimized by sexual exploitation and violence such as Las Vegas Atlantic City New York City Phoenix and Dallas A call to awareness and action for parents legislators and educators this examination exposes this country s dirty secret **Creating Corporate Sustainability** Beate Sjøfjell,Irene

Lynch Fannon,2018-05-24 This compelling volume considers three significant modern developments the ever changing role of women in society a significant and growing dissatisfaction with current dominant understandings of corporate governance corporate law and corporate theory and the increasing concern to establish sustainable business models globally A range of female scholars from across the globe and from different disciplines interconnect these ideas in this unique collection of new and thought provoking essays Readers are led through a carefully planned enquiry focussing initially on female activism and the corporation secondly on liberal attempts to include women in business leadership and finally on critiquing the modern focus on women as a fix for ethical and unsustainable business practises which currently dominates the corporate world This collection presents a fresh perspective on what changes are needed to create the sustainable corporation and the potential role of women as influencers or as agents for these changes **Revolutions in Communication** Bill Kovarik,2025-09-18

This new and expanded edition of Revolutions in Communication the 3rd edition explores printing imaging electronic and digital media history within a framework of technological change and social impacts Using key figures in history to

benchmark the chronology of technical innovation Kovarik's scholarship narrates the story of revolutions in printing electronic communication and digital information while drawing parallels between the past and present This edition builds on the success of the previous two editions as a leading media history textbook The 3rd edition includes Digital media technology impacts and expectations that have changed since 2015 Updated and additional information that has become recently available including declassified histories of super computers the US news media's record on civil rights Gutenberg's printing experiments in the 1440s the role of the 1796 invention of lithography and improving the printing and culture of music A sharper international focus and effort to avoid the impression that Europe is more or less at the center of mass media history
