Trafficking United States. Congress. House. Committee on the Judiciary. Subcommittee on Crime, Terrorism, and Homeland Security, 2011 **Ambivalence in Mentorship** Bonnie D Oglensky, 2023-04-28 Ambivalence in Mentorship is based on research of scores of mentors and protégés in longstanding relationships representing a range of career fields Using vivid case narratives the book takes a nuanced look at the emotional complexities of their mentorships the intense passions and hopes that get stirred up in these professional yet intimate connections as well as the turmoil created by disappointment betrayal competition and the mere readiness to move on and separate from these relationships Framing the psychodynamics of mentorship dialectically the book unpacks the relational struggles in mentorship to trace how these emerge from strong emotional bonds This is accomplished by delineating and illustrating three modes of the ambivalent attachment between mentor and protégé idealization loyalty and generativity Pushing at the boundaries of research on the topic Ambivalence in Mentorship locates this relationship at the crosshairs of authority and love highlighting the interplay of intrapsychic interpersonal cultural and historical forces that drive this relationship to be at once vital and risky Professionals in the social sciences business and management fields will find that the book offers a fresh perspective and authentic voice to the very

real joys and complicated feelings that attend mentorship Up for Sale Alison Marie Behnke, 2017-01-01 Trafficking thrives in the shadows And it can be easy to dismiss it as something that happens to someone else somewhere else But that is not the case Trafficking is a crime that involves every nation on earth and that includes our own US secretary of state Hillary Rodham Clinton 2009 Human trafficking is as old as slavery and continues to be practiced in the modern world Victims of human traffickers include workers in restaurants and in garment factories maids and nannies in the homes of wealthy families child sex workers beggars on the street boy soldiers even infants kidnapped for foreign adoptions Women and children are more likely to be coerced or seized than men and boys especially if they are poor and uneducated Traffickers sell their victims for their bodies or for their labor and reap an enormous profit Human trafficking is estimated to be a 30 to 45 billion industry on an annual basis rivaling weapons and drug trafficking as one of the most profitable criminal undertakings in the world Up for Sale takes a hard look at human trafficking identifying perpetrators and telling the stories of victims through their own words You ll discover why some people become vulnerable to trafficking and you ll read about what their lives are like on a daily basis You ll also meet some of the courageous individuals and organizations working to free people from lives in bondage so that in the words of US president Barack Obama each person can forge a life equal to their talents and worthy of their dreams Making a Living from Your eBay Business Michael Miller, 2006-10-12 The power of online auctions is attracting hundreds of thousands if not millions of users who want to turn their eBay hobbies into profitable businesses While turning an eBay hobby into an eBay business might look easy making that business profitable is much more difficult Not enough sellers treat their eBay sales as a business and subsequently are disappointed in the results To launch a successful and profitable eBay business the detailed instructions in this book will show you how to get started It will help you determine what kind of business you want to run write an action oriented business plan establish an effective accounting system set up a home office obtain starting inventory arrange initial funding establish an eBay presence and arrange for automated post auction management This book is a step by step guide for anyone serious about making money from their eBay sales Unlike other computer oriented titles this is a straight ahead business book that shows how to set up and run different types of eBay businesses and how to maximize sales and profits while doing so This book includes a section titled Choosing Your eBay Business that details six different types of eBay businesses you can start Included in this section is a chapter on eBay Trading Assistants AKA drop off stores or consignment stores which is the newest form of an eBay business
