Crashing Into The Vanishing Points:

Crashing Into the Vanishing Points Barry Vacker, 2009 **Vanishing Point** Laura Pauling, 2013-09-23 Lies can be deadly Before Paris before Greece Marisa Bent was nothing but a bored housewife willing to do anything to protect her family When she learns that espionage runs in her blood line and that a family of assassins are her archenemy she s willing to do anything to protect her husband and daughter and keep them in the dark She even follows Will the young arrogant assassin into the heart of trouble Using a mother s instinct she becomes the hero More than once This only seems to prove to Will that she is indeed a spy bent on ruining his family s enterprise In the defining moment of her life she must make the biggest sacrifice a mother can make Finally the untold story of Savvy s mother Learn why she disappeared from Savvy s life and the sordid details of her past with Malcolm s family One on One Joyce E. Henry, Rebecca Dunn Jaroff, Bob Shuman, 2007-10 Applause Acting Series Three editors each associated with theatre collaborated on this book of monologues for actresses What they discovered besides bravura pieces for auditions acting classes and study was the pulse of the millennial theatrical scene A follow up to the popular previous edition from the 1990s One on One The Best Women s Monologues for the 21st Century includes the work of over 70 playwrights spotlighting the best of Broadway Off Broadway regional and experimental writings since 2000 A special introduction also explains how to choose practice and perform a speech for auditions Comic or serious or both the monologues are written for young old and multicultural players by famous names and up and coming talent Anna Deavere Smith records abuse in real relationships House Arrest August Wilson relates trials of those who survived coming to America and those who did not Gem of the Ocean and William Gibson recreates the dark fledgling days of Israel Golda s Balcony Additional works include Are You Ready by David Auburn Bad Dates by Theresa Rebeck The Committee by Brian Dykstra and many others *Vanishing Point* Tom Wilber, 2023-05-15 In *Vanishing Point* award winning journalist and author Tom Wilber pieces together the largely forgotten story of the bomber Getaway Gertie and an eclectic group of enthusiasts who have spent years searching for it At the height of World War II a B 24 Liberator bomber vanished with its crew while on a training mission over upstate New York The final hours and ultimate resting place of pilot Keith Ponder and seven other US aviators aboard the plane remain mysteries to this day The tale is at once a compelling instance of loss on the World War II American home front and a more extensive largely unreported history Ponder a 21 year old from rural Mississippi and his crew were tragically unexceptional casualties in the monumental effort to recruit and train an air force en masse to counter the global conquest of Nazi Germany and Imperial Japan More than fifteen thousand American airmen and in some cases women burned crashed or fell to their deaths in stateside training accidents during the war their lives and stories shuffled away in piles of Air Force bureaucracy The forgotten story of Getaway Gertie was originally inspired by summer evenings around the campfire on the shores of Lake Ontario where parts of the plane have washed up Building on those campfire tales Wilber deftly connects myth with fact and memory with historicity The result is a

vivid portrait of the forgotten soldier of the home front and a new take on the meaning of wartime sacrifice as the last survivors of the Greatest Generation pass away Bumpy Road Sylvia Townsend, 2018-12-28 Bumpy Road The Making Flop and Revival of Two Lane Blacktop chronicles the genesis production box office debacle resurrection near canonization and lasting influence of director Monte Hellman's 1971 existentialist car racing movie Hellman's unconventional choices for the film included casting three nonactors musicians James Taylor and Dennis Wilson as well as his girlfriend Laurie Bird in lead roles shooting the movie in sequence from west to east on Route 66 and refusing to show the actors the full script instead giving each his or her lines for the day Before its release Esquire put the film on its cover as the magazine's choice for movie of the year and printed the entire screenplay leading moviegoers to expect a crowd pleaser Audiences anticipated that Two Lane Blacktop would be an action packed car racing movie and were disappointed when nobody won or even finished the race no one got the girl the two leading men barely spoke and the leading lady was foul mouthed and promiscuous Universal Studios Chairman Lew Wasserman found the film subversive and refused to release it on video Years after it flopped however the movie soared in stature and it is now revered by such contemporary directors as Quentin Tarantino and Richard Linklater It was included in the National Film Registry and was released on DVD and Blu ray by the prestigious Criterion Collection and the highly regarded Masters of Cinema series Author Sylvia Townsend conducts a comprehensive examination of the film its reception and the resurgence of interest it has more recently generated Interviewing individuals involved in and influenced by the film including James Taylor Richard Linklater Gary Kurtz and scriptwriter Rudy Wurlitzer Townsend provides an inside look at the cult classic Vanishing Point: A Serial Killer Supernatural Suspense A.J.
