Department Of Temporal Investigations Forgotten History Star Trek The Original Series:

Star Trek: DTI: Forgotten History Christopher L. Bennett, 2012-04-24 While Starfleet explorers get to live the adventure of travelling to other times and realities it's up to the dedicated agents of the Federation Department of Temporal Investigations to deal with the consequences to the timestream the rest of us have to live in day by day But in a universe where history as we know it could be wiped out at any moment by time warriors from the future only the most disciplined obsessive and unimaginative government employees have what it takes to face the existential uncertainty of it all on a daily basis and still stay sane enough to do their jobs That's where Agents Lucsly and Dulmur come in Together with their colleagues in the DTI and with the help and sometimes hindrance of Starfleet's finest they do what they can to keep the timestream or at least the paperwork as neat and orderly as they are But when a series of escalating temporal incursions threatens to open a new front of the history spanning Temporal Cold War in the twenty fourth century Lucsly and Dulmur will need all their investigative skill and unbending determination to keep the present and the future from falling into the kind of chaos they really really hate

Department of Temporal Investigations: Forgotten History Christopher L. Bennett, 2012-04-24 The agents of the Department of Temporal Investigations are assigned to look into an anomaly that has appeared deep in Federation territory It's difficult to get clear readings but a mysterious inactive vessel lies at the heart of the anomaly one outfitted with some sort of temporal drive disrupting space time and subspace To the agents' shock the ship bears a striking resemblance to a Constitution class starship and its warp signature matches that of the original Federation starship Enterprise NCC 1701 the ship of James T Kirk that infamous bogeyman of temporal investigators whose record of violations is held up by DTI agents as a cautionary tale for Starfleet recklessness toward history But the vessel's hull markings identify it as Timeship Two belonging to none other than the DTI itself At first Agents Lucsly and Dulmur assume the ship is from some other timeline but its quantum signature confirms that it came from their own past despite the fact that the DTI never possessed such a timeship While the anomaly is closely monitored Lucsly and Dulmur must search for answers in the history of Kirk's Enterprise and its many encounters with time travel a series of events with direct ties to the origins of the DTI itself
