Co-opetition Barry Nalebuff, Adam Brandenburger, 1996 Business is a game but unlike war or sport the game of business does not require other players to fail nor is it about how you play Even brilliant performance won't be enough if you are playing the wrong game The essence of business success lies in making sure you are in the right game

Coopetition Saïd Yami, Sandro Castaldo, Battista Dagnino, Frédéric Le Roy, 2010-01-01 This book provides a diverse set of perspectives on the topic It is very useful reading for anyone interested in understanding coopetition in multiple contexts Devi R Gnyawali Virginia Tech US As an original strategic management perspective coopetition has hitherto been underexploited in analysing contemporary firm strategies and behaviours and more generally managerial practices and processes This innovative book provides both theoretical insights and empirical evidence on coopetition Coopetition shows great interpretive and normative potential and is likely to be an increasingly important tool This book is one of the first key contributions in shaping and systematizing a novel coopetition agenda in the field of strategy The book argues that coopetition is neither an extension of competition theory nor an extension of cooperative theory It is in fact a specific and distinctive research object which calls for dedicated theoretical investigation to develop questions for theory method and managerial practice This book provides both practitioners and academic scholars with a milestone that brings together an active community of researchers expressly mobilized around the creative in depth scrutiny of coopetition

It will greatly appeal to researchers scholars and graduate students of management business strategy competitive dynamics and international business as well as practitioners such as managers and consultants *The Best Business Books Ever* Perseus Publishing,2003-07-10 From The Art of War to Being Digital the 100 books that have shaped management thinking and practice **Routledge Companion to Coopetition Strategies** Anne-Sophie Fernandez,Paul Chiambaretto,Frédéric Le Roy,Wojciech Czakon,2018-10-10 This reference volume is the first to provide a comprehensive international survey of co opetition research Organised thematically and written by the world s most cited researchers in the field it views the topic through the lens of a variety of disciplines including innovation strategic management marketing and operations management This reference book is the definitive resource for researchers looking to understand the field of co opetition throughout business and management **Coopetition Strategy** Giovanni B. Dagnino,Elena Rocco,2009-09-10 The book examines the theories of co opetition and follows this up with empirically based case studies as well as experimental evidence from the laboratory and will be of interest to those involved with strategic management Foundations of Coopetition Strategy Anna Minà,Giovanni Battista Dagnino,2021-12-30 This book disentangles the foundations of coopetition i e concurrent competition and cooperation by exploring in depth the intellectual legacy of Eastern and Western perspectives In particular it detects the foundations of coopetition in three Chinese streams of thought Confucianism Taoism and Legalism and in five Western schools of thought David Hume Adam Smith Immanuel Kant Georg Wilhelm Frederich Hegel and S ren Kierkegaard In such a way it unveils four logics used to tackle the essence of coopetition respectively either or both and both or and either and The key objectives of the book are firstly to adopt a paradoxical lens to investigate the foundations of coopetition strategy Secondly to offer an interpretive framework that detects the different forms tactics and patterns of coopetition Thirdly to discuss the implications of the framework proposed for other paradoxical strategies and to distil a bouquet of managerial implications In such a way the volume combines existing foundational perspectives with a contemporary interpretation of the coopetition phenomenon thereby offering a valuable understanding of the current business and management world The guiding principles of the book enable readers to extricate the dichotomy between the phenomenon of coopetition and competitive strategy appraise the rationale for distinguishing between deliberate planned coopetition strategy and emergent unplanned but conscious coopetition strategy and understand how to deal with coopetition tensions **De Gruyter Handbook of Coopetition** James M. Crick,2025-05-19 While plenty of research has been undertaken on coopetition the practice of organisations of different sizes collaborating with their competitors in informal and or formal capacities the wider business community is still learning about how and why companies join forces with their competitors as well as the benefits and drawbacks of these strategies The De Gruyter Handbook of Coopetition is designed to showcase some novel studies about the ways that coopetition activities are managed by businesses using a variety of contexts and research methods the advantages of these strategies and insights about what can go wrong when competing firms

collaborate with one another The contributors address certain under researched issues such as how coopetition operates in internationally oriented arenas e g for exporters the dark side of coopetition strategies measuring the coopetition construct in empirical research methodological factors for investigating coopetition activities and much more This handbook will benefit academics postgraduate researchers students and practitioners that are interested in the interplay between cooperation and competition **Value Proposition to Tourism Coopetition** Adriana Fumi Chim-Miki,Rui Augusto da Costa,2024-12-04 This book contains an Open Access chapter Discover the transformative power of coopetition in the dynamic world of tourist organisations where inclusive development takes centre stage Drawing on the work of a range of global contributors the editors examine how dyadic behaviour is transforming the tourism sector
