New York, 2009-11 *Women and Crime* Judith Ann Warner, 2012-07-19 Drawing on government data and interdisciplinary expertise this timely book seeks to explain why the changing economic and legal status of women has not reduced the gender gap in criminal offending *Women and Crime A Reference Handbook* examines how women s patterns of offending have changed over time in America from the Colonial period to the present The book sets the stage with a historical overview of women s criminal activity Subsequent chapters cover such topics as changes in women s status and patterns of offending the impact of childhood abuse on the development of criminality and how changes in law the War on Drugs and other crime policy have in fact increased the frequency of women s imprisonment and arrests International issues such as legalization of prostitution sex trafficking and women s involvement in organized crime including drug cartels are also explored Each chapter examines theory research law policy and key players in the evolving response to women s crime patterns Throughout the work the author links women s status victimization and offending patterns and suggests how crime control policy far from saving women is increasingly making it impossible for female offenders to live on the outside **I Can't Believe I'm Still Single** Eric Schaeffer, 2007-04-26 Eric Schaeffer has always believed that when the time was right and he was ready that he would find the Big One an intelligent sexy loving wife But his last girlfriend said no to his proposal and since then he hasn t met anyone he wanted to have a second date with This is a wild sometimes raunchy sometimes poignant and always honest account of a semi famous man s attempts at love **Pattaya Hash** Avram Mednick, 2010-12-14 This book which takes place in the present is about a family dealing with the challenges of modern life Beyond that however it is a commentary about different ways some healthy some not that people are choosing to network in the 21st century **Dirty Thirty** Asa Akira, 2015-07-26 The world knows her as a porn star but it s her way with words that will touch you again and again Asa Akira s perceptive funny and straightforward writings on love sex death marriage and celebrity come together in a surprising book of essays Personally revealing as well as universal *Dirty Thirty* marks the coming of age of a new literary star **An Internet for the People** Jessa Lingel, 2022-06-14 How craigslist champions openness democracy and other vanishing principles of the early web Begun by Craig Newmark as an e mail to some friends about cool events happening around San Francisco craigslist is now the leading classifieds service on the planet It is also a throwback to the early internet The website has barely seen an upgrade since it launched in 1996 There are no banner ads The company doesn t profit off your data *An Internet for the People* explores how people use craigslist to buy and sell find work and find love and reveals why craigslist is becoming a lonely outpost in an increasingly corporatized web Drawing on interviews with craigslist insiders and ordinary users Jessa Lingel looks at the site s history and values showing how it has mostly stayed the same while the web around it has become more commercial and far less open She examines craigslist s legal history describing the

company's courtroom battles over issues of freedom of expression and data privacy and explains the importance of locality in the social relationships fostered by the site More than an online garage sale job board or dating site craigslist holds vital lessons for the rest of the web It is a website that values user privacy over profits ease of use over slick design and an ethos of the early web that might just hold the key to a more open transparent and democratic internet **Domestic Minor Sex Trafficking** United States.
