Selling to Seniors United States. Congress. Senate. Committee on Finance,2008 *Research Handbook on the Economics of Family Law* Lloyd R. Cohen,Joshua D. Wright,2011-01-01 Those not learned in the economic arts believe that economics is either solely or essentially concerned with commercial relations And so it was originally Then in the second half of the 20th century economists began applying their minimalist but sturdy tools to other human activities such as marriage child bearing crime religion and social groups In this spirit the Research Handbook on the Economics of Family Law gives us a series of original essays by distinguished scholars in economics law or both The essays represent a variety of approaches to the field Many contain extensive surveys of the literature with respect to the particular question they address Some employ empirical economics others are more narrowly legal They have in common one thing each scholar employs a core economic tool or insight to shed light on some aspect of family law and social institutions broadly understood Topics covered include divorce child support infant feeding abortion access prostitution the decline in marriage birth control and incentives for partnering This comprehensive and enlightening volume will be a valuable reference for those interested in law and economics generally and family law in particular **Stacked Decks** Robin Bartram,2022-08-19 A startling look at the power and perspectives of city building inspectors as they navigate unequal housing landscapes Though we rarely see them at work building inspectors have the power to significantly shape our lives through their discretionary decisions The building inspectors of Chicago are at the heart of sociologist Robin Bartram s analysis of how individuals impact or attempt to impact housing inequality In Stacked Decks she reveals surprising patterns in the judgment calls inspectors make when deciding whom to cite for building code violations These predominantly white male inspectors largely recognize that they work within an unequal housing landscape that systematically disadvantages poor people and people of color through redlining property taxes and city spending that favor wealthy neighborhoods Stacked Decks illustrates the uphill battle inspectors face when trying to change a housing system that works against those with the fewest resources **LexisNexis Corporate Affiliations** ,2006
