notes on this story

"Chicken Little", sometimes called "The Sky is Falling" or "Chicken Licken" was originally an African fable. The phrase, "The sky is falling," has passed into the English language as a common phrase indicating a hysterical or mistaken belief that disaster is imminent. The Speakaboos version of this story highlights Chicken Little's determination to finish his quest, even if it was a misguided one. Children can learn that even failure is ok from this story if you truly believe in one's own self and your mission.
