Child Versus Parent Stephen Wise, 2017-01-23 That this involves care of the bodily side of child being goes without saying but as we have in another chapter pointed out this stress seems to be needless The primary and serious responsibility of parents is bound up with the education of a child And the first truth to be enunciated is that parents can no more leave to schools the intellectual than to priest and church the moral training of a child I remember to have asked a father in a mid Western city to which it had been brought home that its schools were gravely inadequate why he a man of large affairs did not set out to remedy the conditions His answer was I do my duty to the schools when I pay my school taxes This was not only wretched citizenship but worse parenthood and still worse economics **Child Versus Parent** Stephen Wise, 2018-10-16
