Childhood, Boyhood, and Youth Leo Tolstoy, 1991-10-15 Leo Tolstoy's earliest published work the trilogy *Childhood Boyhood and Youth* was written when he was in his twenties offering a tantalizing first glimpse of the literary talents that would come to fruition in his later masterpieces Chronicling the experiences of a wealthy landowner's son as he

grows up and becomes aware of the world and his place in it these three short novels were only loosely inspired by Tolstoy's own memories In old age he condemned the work as an awkward mixture of fact and fiction but the imaginative powers that enabled him to capture so vividly the universal emotions and sensations of childhood have enthralled generations of readers We are blessed to have alongside the mature writer of Anna Karenina and War and Peace and the revolutionary mystic of the later years the young Tolstoy who wrote these elegiac tales In their sensitivity to nature and their evocations of fugitive feelings they reveal his genius in all its untroubled early splendor **Penguin Classics: Catalogue** ,2015-02-26 In 1946 E V Rieu's groundbreaking translation of The Odyssey established a cultural legacy that would bring the world's most compelling and influential literature to millions of readers around the globe For over sixty five years Penguin Classics have been making works that were once the sole preserve of academics accessible to everyone this catalogue offers a complete list of all titles in print across the list more than 1 200 books from Aristotle and Austen to Zola and Zamyatin The Penguin Classics though I designed them to give pleasure even more than instruction have been hailed as the greatest educative force of the twentieth century And far be it for me to quarrel with that encomium for there is no one whom they have educated more than myself E V Rieu [The Penguin Classics Book](#) Henry Eliot,2019-02-21 Shortlisted for Waterstones Book of the Year The Penguin Classics Book is a reader's companion to the largest library of classic literature in the world Spanning 4 000 years from the legends of Ancient Mesopotamia to the poetry of the First World War with Greek tragedies Icelandic sagas Japanese epics and much more in between it encompasses 500 authors and 1 200 books bringing these to life with lively descriptions literary connections and beautiful cover designs
